We would like to dismiss the JBP grant authorization as the digital device function and RX UHF portion will be subjected for sDoC procedure. The dismissal is due to erroneous submission of JBP as sDoC is being utilized.

The product has not been sold in the US or any other country labeled with this FCC ID.

TIMCO will submit the dismissal request on my behalf.

If you require any additional information, please contact me at +604-2240258.

Sincerely,
