

Statement

Date: 5/8/2003

We, Ambit declare that the difference for the T60H677 is as following.

1. T60H677 is same hardware design
2. T60H677 will be with T60M665 (Bluetooth module) to apply for Co-Location approval
3. Only the ZG1S antenna was used.

If you have any problem, please feel free to contact me.

Thank you
Regards
