Photo 4

A photograph of a white, circular tablet placed on a blue textured surface. A black ruler is positioned horizontally below the tablet, showing a scale from 0 to 7 centimeters. The tablet's diameter is approximately 1.5 cm. A second ruler is placed vertically to the left of the tablet, showing a scale from 0 to 5 centimeters. The tablet is positioned between the two rulers, with its center aligned with the 1.5 cm mark on the horizontal ruler.

A photograph of a white, circular tablet placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the tablet. The tablet's diameter is approximately 1.5 cm, spanning from the 1.5 cm mark to the 3.0 cm mark on the ruler. The ruler also shows markings in centimeters from 7 to 10 on the left side.
