3 LABEL TEXT STATEMENT

In order to be FCC compliant, the following label text statement will be put inside the SmartPlug manual user with the following caution statement.

FCC ID: 2AGTV50-70-022

SmartPlug SENSOR

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

 **Caution:** Changes or modifications not expressly approved by the party responsible for FCC compliance could void the user authority to operate the device. (Cf. FCC Part 15.21).
