EUT Housing and Board View 3	 A photograph showing the back of a white plastic EUT housing and a green printed circuit board (PCB) assembly. The housing is on the right, featuring two circular cutouts and a larger circular opening at the bottom. The PCB is on the left, showing various electronic components and a circular cutout at the bottom. Both are placed on a blue textured surface next to a black ruler with white markings in millimeters.
Solder Board-Component View 1	 A photograph showing a green PCB assembly with a silver-colored solder mask. The board is populated with various electronic components, including resistors, capacitors, and integrated circuits. A circular cutout is visible at the bottom. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters.
