

GMMK 3

GMMK 3 PRO HE 65% WIRELESS

Quick Start Guide

Connectivity Options: [Wired/Wireless](#)

Wired Mode: [USB-A to USB-C cable](#)

Wireless Mode: 2.4GHz lag-free wireless connectivity

Bluetooth 5.2 connectivity

Channel number:

BLE: 40

SRD 2.4G: 78

Minimum Range: 5 meters

RF Power:

BLE \leq -3.35dBm; SRD 2.4G \leq 0.01dBm

Operating Frequency:

BLE: 2402MHz - 2480MHz

SRD 2.4G: 2402MHz - 2479MHz

Working Temperature: 0-40 °C

Battery Size: 3000 mAh

Setting Up:

We recommend you charge your keyboard fully before using it for the first time in wireless mode. To do this, insert the USB A end of the cable into your computer, and connect the other end to the USB C port located on the back of the keyboard. The keyboard can be used normally in wired mode.

Plug & Play:

Plug the USB-C end of the included cable into your keyboard and insert the USB-A end into an open port on your computer. All necessary drivers will be installed automatically (Windows only).

Wireless Connection:

Pairing mode: When the device is in "Bluetooth Mode" the device will become discoverable to other Bluetooth-compatible devices. When the device is in "2.4 Ghz Mode" the device will look to pair with the included wireless dongle.

65%:

Pressing the key combination of (" **FN + K** ") sends the device into Pairing Mode.

75% & 100%:

Pressing the key combination of (“ **FN + ‘** ”) sends the device into Pairing Mode.

To take complete control of your keyboard lighting, performance, shortcuts, and more detailed instructions, please visit: gloriousgaming.com/quickstart

Battery:

When your keyboard is low on battery, the notification lighting zone will breathe red. When the battery has been fully charged, the notification lighting zone will breathe green.

Battery Levels:

§ 0% - 25%: red

§ 26% - 60%: orange

§ 61% - 90%: yellow

§ 91% -100% (fully charged): green

Do not replace battery with an incorrect type.

Do not disposal battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.

Do not leaving battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.

Do not leaving battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

Do not used in low air pressure at high altitude condition.

Do not used in high or low extreme temperatures.

Reset:

You can reset the keyboard to factory settings.

65%:

To do so, hold down the “**Fn + ESC**” key for 3 seconds, then press and hold the “**1 + 3 + 5**” keys for 2 seconds.

75% & 100%:

To do so, hold down the “**Fn + ESC**” key for 3 seconds, then press and hold the “**F1 + F3 + F5**” keys for 2 seconds.

Note:

This action will erase all profile information on the keyboard and reset all settings to factory default.

Support/Service:

Glorious, GMMK, and ASCEND are registered, and all associated logos, names, brands, products, and services are either trademarks or registered trademarks and copyright of Glorious LLC. and/or affiliated companies in the United States or other countries. All other trademarks and trade names are the property of their respective owners and other company and product names mentioned herein may be trademarks of their respective companies. Glorious LLC ("Glorious") may have copyright, trademarks, trade secrets, patents, patent applications, or other intellectual property rights (whether registered or unregistered) concerning the product in this guide. Furnishing of this guide does not give you a license to any such copyright, trademark, patent, or other intellectual property rights. The product may differ from pictures whether on packaging or otherwise. Glorious LLC assumes no responsibility for such differences or for any errors that may appear. Information contained herein is subject to change without notice.

Warranty:

- 2-year limited Manufacturer Warranty
- The warranty does not cover damages as a result of opening the device

Limitation of Liability:

Glorious shall in no event be liable for any lost profits, loss of information or data, special, incidental, indirect, punitive, or consequential or incidental damages arising in any way out of the distribution of, sale of, resale of, use of, or inability to use the product. In no event shall Glorious' liability exceed the retail purchase price of the product.

WARNING:

- The product contains small parts, so please keep it out of reach of children below the age of 10 to avoid the risk of choking.
- Keep the product away from water and moisture.
- To avoid the risk of fire, connect the product to a power supply that complies with PS1 requirements outlined in IEC/EN/UL 62368 and outputs less than 15w.
- Risk of explosion if the battery is replaced by an incorrect type.
- Dispose of used batteries according to the instructions.
- Operation of this equipment in a residential environment could cause radio interference.
- The battery is firmly installed, and cannot be replaced. If a battery has reached the end of its service life, the entire product should be replaced.

Maintenance:

- Be careful when cleaning the product. Wipe dirty surfaces with a lightly damp cloth then let dry. Do not use chemical cleaners or run under water.
- Clean dust, debris, and sand from the product with a light brush or with a compressed air can.
- Storage Condition: Temperature from -20 to 45 ° C; Humidity <95% (RH)
- Operation Condition: Temperature from 0 to 40 ° C; Humidity <90% (RH)

Month and Year of Manufacture

To determine the month and year of manufacture of the product, please reference the serial number (S/N) on the label located on the bottom of the device. The year of manufacture can be identified by the fourth and fifth characters (YY) in the S/N sequence. The week of manufacture can be identified by the sixth and seventh characters (WW) in the S/N sequence. These two strings together identify the date of production.

EU Declaration of conformity

Hereby, Glorious LLC(13809 Research Blvd Suite 500 PMB 93206 Austin, TX 78750, USA). declares that this [Wireless keyboard](#) is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. A copy of the Declaration of Conformity can be found at Website: www.gloriousgaming.com

1. CAUTION: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.
2. The product shall only be connected to a USB interface of version USB2.0.

This information has to be presented in such a way that the user can readily understand it. Typically, this will necessitate translation into every local language (required by national consumer laws) of the markets where the equipment is intended to be sold. Illustrations, pictograms and using international abbreviations for country names may help reduce the need for translation.

This product can be used across EU member states.

Hereby, Glorious LLC(13809 Research Blvd Suite 500 PMB 93206 Austin, TX 78750, USA). declares that this [Wireless keyboard](#) is in compliance with the essential requirements and other relevant provisions of UK Radio Equipment Regulations (SI2017/1206). FCC and ISED Canada Compliance Statements

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

FR

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help. The device has been evaluated to meet general RF exposure requirements. The device can be used in portable exposure condition without restriction

Waste Electrical and Electronic Equipment Information: Correct Disposal of This Product (Waste Electrical &

Electronic Equipment) (Applicable in the European Union and other European countries with separate collection systems) This marking shown on the product or its literature indicates that it should not be disposed of with other household wastes at the end of its working life. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources. Household users should contact either the retailer where they purchased this product, or their local government office, for details of where and how they can take this item for environmentally safe recycling. Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.
