Ref: Confidentiality

Dear Sir:

We, DEKA Research and Development Corp., respectfully request that the following documentation submitted with this application for Certification be withheld from public disclosure pursuant to Sections 0.457 (d) and 0.459 of the FCC Rules. This request is made under the provisions of Section 0.552 (b) (4) of the Freedom of Information Act.

| Exhibits | DEKA Request for Confidentiality |
|-------------------------|---|
| External Photos | Short Term |
| Block Diagram | Long Term |
| Schematics | Long Term |
| Test Setup Photos | Short Term |
| User's Manual | Short Term |
| Internal Photos | Short Term |
| Parts List / Tune Up | Long Term |
| Operational Description | Long Term |

The items listed above contain trade secrets and proprietary information which if disclosed to the public may be harmful to the applicant and place DEKA Research and Development Corp. at a competitive disadvantage.

Thank you for your attention to this matter.

Sincerely,

By: Jack Murphy, Compliance Test Manager
