Subject: Ad Hoc Mode Function Declaration

FCC ID: SQG-SU60SOMC
IC: 3147A-SU60SOMC

To Whom it may concern,

We, Laird Technologies declare that the device does not support any non-US channels, country code selection in all the operational mode(s), like Ad-Hoc...etc. for the following product. Also, the client software and associated drivers will not initiate any transmission on DFS frequencies without initiation by a master and the device without support DFS detection capability. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes.

Regards,

A handwritten signature in black ink that reads "Thomas T. Smith". The signature is written in a cursive, flowing style.
