

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 This photograph shows the internal components of the EUT housing. A green cylindrical component, a white cylindrical component, a small black component, and a circuit board with various electronic components are visible. A ruler is placed next to the components for scale.
Solder Board-Component View 1	 This is a close-up photograph of a soldered component on a green circuit board. The component is a small, circular, green component with a white label that reads "220 16V". A ruler is placed next to the component for scale.

Solder Board-Component View 2	 A photograph showing a small, circular green printed circuit board (PCB) component mounted on a larger green PCB. The component is positioned on a blue textured surface. A black ruler with white markings is placed below the component, showing measurements in millimeters. The ruler has markings for 10, 20, 30, 40, 50, 60, 70, and 80 mm. The component itself is approximately 10 mm in diameter.
Solder Board-Component View 3	 A photograph showing a rectangular green printed circuit board (PCB) component mounted on a larger green PCB. The component is positioned on a blue textured surface. A black ruler with white markings is placed below the component, showing measurements in millimeters. The ruler has markings for 10, 20, 30, 40, 50, 60, 70, and 80 mm. The component itself is approximately 20 mm in length and 10 mm in width.

Solder Board-Component View 4	 A photograph showing a small green printed circuit board (PCB) component mounted on a blue textured surface. The component is labeled with '94V-0', 'E331298', 'RoHS', 'ZXH-2', 'CHT2003R', 'REV: 1.0', 'DDI295HA-RF', and '2021. 6. 8'. A black ruler with white markings is placed next to the component for scale, showing measurements in millimeters.
Solder Board-Component View 5	 A photograph showing a small green printed circuit board (PCB) component mounted on a blue textured surface. The component is labeled with '94V-0', 'E331298', 'RoHS', 'ZXH-2', 'CHT2003R', 'REV: 1.0', 'DDI295HA-RF', and '2021. 6. 8'. A black ruler with white markings is placed next to the component for scale, showing measurements in millimeters.
