set up + connect

Connect your C by GE light bulbs to other smart home devices and enable voice control with the C-Reach smart bridge.

Follow these steps to set up new or in-use C by GE light bulbs and devices.

1. Plug in the C-Reach smart bridge.
2. Download the C by GE app for iOS or Android™.
3. Once downloaded, open the C by GE app and create an account.
4. Navigate to the Home screen. In the upper right corner click on the 3 dots.
5. From the drop down menu select Add New Device.
6. Select C-Reach and the app walks you through the rest of the set up, including connecting to voice assistants.
