Re: Application for Class II Permissive Change under FCC ID: AS5CMP-32
Form 731 Confirmation Number: EA96443
Request Correction to Form 731 to Guarantee Confidentiality

Dear Examiner:

The Class II Permissive Change request filing for AS5CMP-32 was electronically submitted on January 5. Both the cover letter and the letter requesting confidentiality request that the User Manual, in Exhibit 3, be held as confidential. During the file uploading process, I did check the "confidential box" for the Exhibit 3 cover sheet; but accidentally neglected to also check the "confidential box" for the User Manual file on the line below. In addition, the Exhibit Type pull down menu was accidentally "clicked" for "Test Setup Photos" instead of the "User Manual". Please correct these two errors and provide confidentiality for the User Manual, as was done in the initial filing.

Thank you for your assistance in this matter.

Sincerely,

Michael P. Farina
