Overview

On behalf of Itronix Corporation we request a Limited Modular Certification of the embedded FHSS, Bluetooth module installed in the IX270 Rugged PC under rule Part 15.247.

We would like this Certification to include Co-location with the three above referenced Limited Modular Certified Intentional Radiators. Exhibits supporting this request for Co-location are submitted with this application.

NW EMC, Inc. measured the radiated spurious and band edges for this device covering the requirements for integration of this embedded module into the IX270 host with it's new antenna.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
