Applicant's declaration concerning RF Radiation Exposure

We hereby indicate that the product:

Infrared Thermometer DFQMX4

is considered to be a mobile transceiver.

This device and its internal antenna used for this mobile transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

A safety statement will be integrated in the user's manual to provide end-users with transmitter operating instructions for satisfying RF exposure compliance.

The appropriate information can be drawn from the test report no. G0M20501-9199-P-15 and the accompanying calculations.
