Q: Will this Monster Smart Lighting product work with my Monster Illuminescence devices?

A1: Not at this time. Monster Smart Lighting and Monster Illuminescence are two different device platforms and are controlled by separate apps.

A2: Both platforms can be controlled through the use of third party integrations like Hey Google, Amazon Alexa, Siri Shortcuts, and Razer Chroma RGB.

Q: Why is my device unresponsive after pairing?

A1: Your device may have installed a necessary update and needs to reboot. Please unplug the power and reconnect to resume operation.

Q: Why is my device failing to connect to my Wi-Fi network?

A1: Make sure your phone or tablet is successfully connected to the **2.4GHz Wi-Fi network** that your device will be placed on.

A2: Make sure you **enable Bluetooth** and **location** on your phone or tablet to find nearby devices.

A3: Make sure your phone, your Wi-Fi router, and your device are all in close proximity to each other during the pairing process (within 10ft is ideal).

A4: If your Wi-Fi network is a mixed 2.4GHz/5GHz network, you may need to access your router settings and/or call your Internet Service Provider to create a separate 2.4GHz network.

Q: Can I cut this LED Light Strip?

A1: Yes, if desired, you can cut the light strip to shorter lengths by cutting on the copper area towards the end of the strip.

Note: Once cut,

- you cannot reconnect the light strip or attach additional light strips to this product.
- the strip will no longer be water resistant or covered under warranty.

Q: Why is the adhesive tape not holding?

A1: In order to properly install this product, the mounting surface must first be cleaned with rubbing alcohol and allowed to air dry.

A2: Mounting this product in excessively hot or humid environments may weaken the adhesive.

A3: For best mounting results, place adhesive onto the desired surface with ONE attempt. Reapplying multiple times will not guarantee secure mounting onto the surface.

A4: This adhesive is not recommended for use on unpainted brick, raw wood, or uneven/bumpy surfaces such as textured wallpaper. In these cases, please ALSO use the included mounting clips.
