

Compal Electronics Inc

No.581, Ruiguang Rd., Neihu District, Taipei, 11492 Taiwan

Tel: 886-2-8797-8588

Date: March 23, 2014

Subject: Attestation Letter (FCC ID:GKR-TP00064AFX)

To whom it may concern,

The device incorporates an FCC approved module (FCC ID: MCLT77H506), which is unmodified and therefore the original test results contained the following test reports,

Test Report No.: RF130723E04 (*for WLAN 2.4GHz, BLE*) and

Test Report No.: RF130723E04-2 (*for BT2.0*) and

Test Report No.: RF130723E04-1 and RF130723E04-3 (*for WLAN 5GHz*)

are representative for the TP00064AFX device and accurately represent test results under the new conditions. The device meets all EMC/RF requirements contained in Part 15C/15E.

If you have any question regarding this authorization, please do not hesitate to contact us.

Sincerely,
