QUICK PAIRING GUIDE FOR NEW DEVICES

POWER BUTTON

LED LIGHT

IMPORTANT: Please follow these directions in the proper order to ensure the earbuds pair and connect properly.

1. APOLLO will turn on automatically once it is removed from charging case. It will blink alternately red and blue indicating that it is in pairing mode.
2. On your smartphone open the Bluetooth® menu, power on your Bluetooth® setting and search for new devices.
3. When you see Merkury E029T listed, tap it to connect.
4. Once connected with your device, there will be a BEEP from the right earbud.

Note: If your device asks for a passcode to connect, enter "0000".

Quick guide single side print

PAIR & CONNECT WITH A NEW DEVICE

- APOLLO will turn on automatically once it is removed from charging case It will blink alternately red and blue indicating that it is in pairing mode.
- Open the Bluetooth® menu on your smartphone and search for new devices.
- When you see "Merkury E029T" listed, tap it to connect.
- Once connected with your device, there will be a BEEP from the right earbud.

CHARGING

EARBUDS

- Checking the "R" and "L" indicators on the charging case, place the right and left earbuds into the corresponding slots so that the magnetic metal charging contacts line-up correctly.
- The LED indicators on the earbuds will glow red and the charging indicators on the case will glow blue. Your earbuds are now charging.
- Once your earbuds are fully charged the LED indicators will turn solid blue. After approximately 5 minutes the LED indicators will turn off

CASE

- When the case is charging, the led light will slowly flash red. When charge is complete, the red light will turn solid
- **Note: the case can charge the earbuds while charging itself.**

PLAY & CALLS

- Connect your device to these earbuds via Bluetooth® (see "Pair & Connect with a New Device.")
- Open your favorite music app and press play.
- All audio, including music, calls, games, videos, and notifications will be routed through the earbuds.
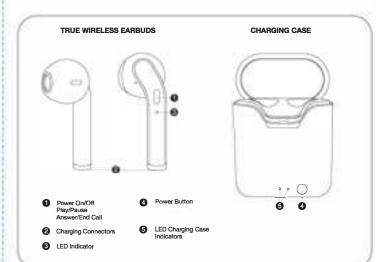

RECONNECT TO YOUR DEVICE

- You only need to pair your Bluetooth® device with these earbuds once.
- With your device's Bluetooth® feature turned on and in range, power on the left & right earbuds.
- They will automatically connect to each other and to your smartphone
- If you have a previously paired device that does not auto-reconnect, navigate to the Bluetooth® settings menu on your device and select "Merkury E029T" from the list of paired Bluetooth® devices.

POWER ON/OFF

NOTE: Earbuds Turn On/Off automatically when removed from or returned to case.

- To power on manually, press and hold the power buttons for 2-3 seconds, the LED lights will begin to flash
- To power off manually, press and hold the power buttons for about 8 seconds
