# 1 HOW TO CONNECT

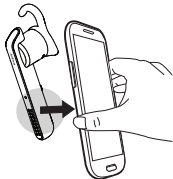

## CONNECT TO MOBILE DEVICE

1. Turn the headset on (set the **On/off** switch to the On position).
2. Press and hold (3 secs) the **Answer/end** button until the Bluetooth indicator flashes blue and pairing mode is announced in the headset.
3. Follow the voice-guided pairing instructions to pair to your Bluetooth device.

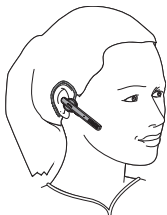

## CONNECT TO MOBILE DEVICE (USING NFC)

1. Ensure that NFC is enabled on your mobile device.
2. Slowly slide the NFC zone of the headset against the NFC zone of the mobile device until a connection is confirmed.

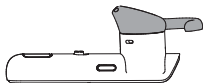

## 2 HOW TO WEAR

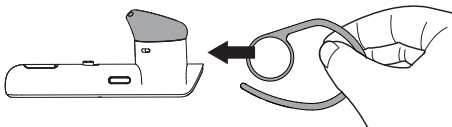

ENGLISH

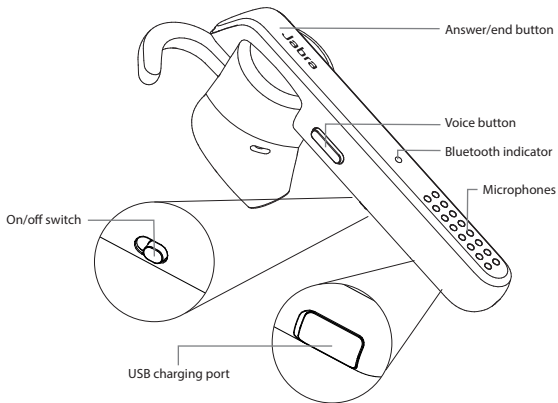

The headset can be worn on the left or right ear. There are 3 eargel styles, and 2 earhook styles.

### ATTACHING THE EARHOOK

# 3 HOW TO USE

## DID YOU KNOW?

The Jabra Assist app can help you locate your headset using GPS tracking. Download the Jabra Assist App for your Android™ or iOS device to enhance your Jabra experience.

|                                                                                  | FUNCTION                                 | ACTION                                                     |
|----------------------------------------------------------------------------------|------------------------------------------|------------------------------------------------------------|
|  | On/off                                   | Slide the <b>On/off</b> switch                             |
|  | Answer/end call                          | Tap the <b>Answer/end</b> button                           |
|                                                                                  | Reject call                              | Press and hold (1 sec) the <b>Answer/end</b> button        |
|  | Redial last number                       | Double-tap the <b>Answer/end</b> button when not on a call |
|  | Activate voice dialing (phone dependant) | Press and hold (1 sec) the <b>Voice</b> button             |
|                                                                                  | Speaker volume                           | Use the volume controls on the connected mobile device     |

## CHARGE THE HEADSET

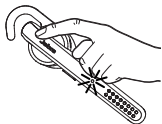

Pull back the charging cover to expose the USB charging port. It takes approx. 2 hours to fully charge the battery.

# 1 COMMENT LE CONNECTER

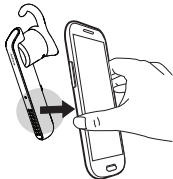

## CONNEXION À UN PÉRIPHÉRIQUE MOBILE

1. Allumez le casque (réglez le commutateur **Marche/Arrêt** à la position **Marche**).
2. Maintenez appuyée (3 secondes) la touche **Réponse/Fin** jusqu'à ce que l'indicateur Bluetooth clignote en bleu et que le mode d'appariement soit annoncé dans le casque.
3. Suivez les instructions vocales d'appariement pour appairer votre périphérique Bluetooth.

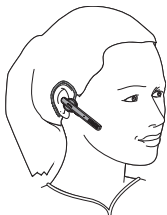

## CONNEXION À UN PÉRIPHÉRIQUE MOBILE (AVEC NFC)

1. Assurez-vous que la fonction NFC est activée sur votre périphérique mobile.
2. Glissez lentement la zone NFC du casque directement contre la zone NFC du périphérique mobile jusqu'à la confirmation d'une connexion.

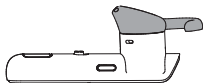

## 2 COMMENT LE PORTER

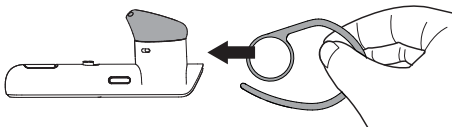

FRANÇAIS

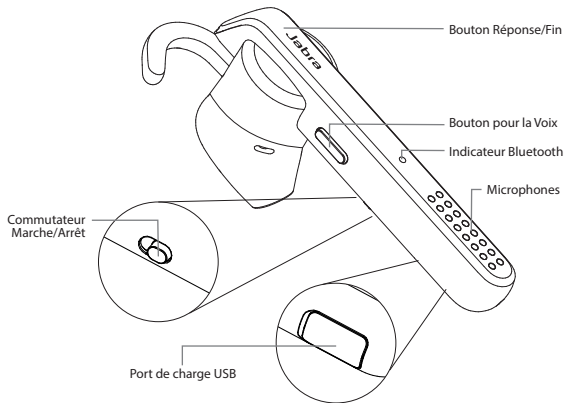

Le casque se porte sur l'oreille gauche ou droite. Il y a 3 types d'oreillette Eargel et 2 types de crochet auriculaire.

### ATTACHER LE CROCHET AURICULAIRE

# 3 COMMENT L'UTILISER

## LE SAVIEZ-VOUS?

Avec l'application Jabra Assist, vous pouvez localiser votre casque à l'aide du repérage du casque par GPS. Téléchargez l'application Jabra Assist pour votre Android™ ou un appareil iOS pour améliorer votre expérience Jabra.

|----------------------------------------------------------------------------------|----------------------------------------------------------------|-------------------------------------------------------------------------------------------|
|  | Marche/arrêt                                                   | Faites glisser le commutateur <b>Marche/Arrêt</b>                                         |
|  | Réponse/fin d'appel                                            | Appuyez sur la touche <b>Réponse/Fin</b>                                                  |
|                                                                                  | Refuser un appel                                               | Maintenez appuyée (1 seconde) la touche <b>Réponse/Fin</b>                                |
|  | Recomposer le dernier numéro                                   | Appuyez deux fois sur la touche <b>Réponse/Fin</b> quand vous n'êtes pas en cours d'appel |
|  | Activer la Composition vocale (varie en fonction du téléphone) | Maintenez appuyée (1 seconde) la touche <b>Voix</b>                                       |
|                                                                                  | Volume du haut-parleur                                         | Utilisez le contrôle du volume sur l'appareil mobile connecté.                            |

## CHARGE DU CASQUE

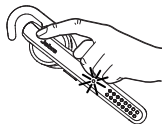

Glissez le couvercle de charge pour que le port de charge USB soit visible. Une charge complète s'effectue en environ 2 heures.

# 1 CÓMO CONECTARLOS

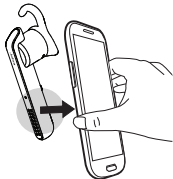

## CONEXIÓN A DISPOSITIVO MÓVIL

1. Encienda el auricular (ajuste el interruptor **Encender/Apagar** en la posición de Encender).
2. Presione y mantenga presionado (3 segundos) el botón **Responder/Finalizar** del auricular hasta que parpadee la luz azul de Bluetooth y se anuncie el modo de sincronización en el auricular.
3. Siga las instrucciones por voz para sincronizar su dispositivo Bluetooth.

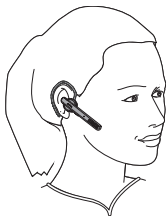

## CONEXIÓN A DISPOSITIVO MÓVIL (MEDIANTE NFC)

1. Cerciérese de que NFC esté activo en su dispositivo móvil.
2. Deslice lentamente la zona NFC del auricular sobre la zona NFC del dispositivo móvil hasta que se confirme una conexión.

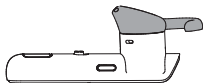

## 2 CÓMO USARLOS

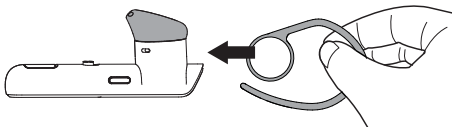

ESPAÑOL

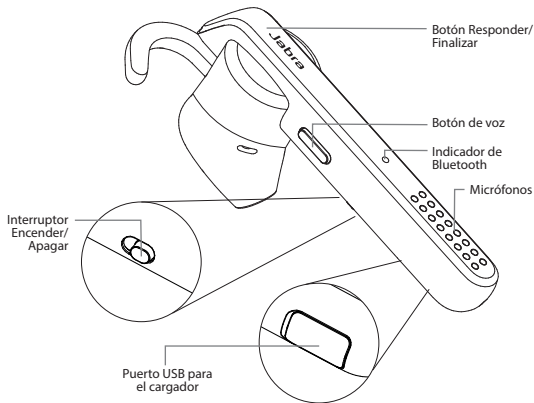

Puede usar el auricular en la oreja izquierda o en la derecha. Hay 3 estilos de eargel y 2 estilos de gancho para la oreja.

### CÓMO COLOCAR EL GANCHO PARA LA OREJA

# 3 CÓMO UTILIZARLOS

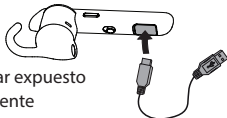

## ¿SABÍA QUE...?

La aplicación Jabra Assist puede ayudarle a localizar el auricular mediante rastreo por GPS. Descargue la aplicación Jabra Assist para su dispositivo Android™ o iOS para mejorar su experiencia con Jabra.

|                                                                                  | FUNCIÓN                                          | ACCIÓN                                                                             |
|----------------------------------------------------------------------------------|--------------------------------------------------|------------------------------------------------------------------------------------|
|  | Encender/Apagar                                  | Deslice el interruptor <b>Encender/Apagar</b> .                                    |
|  | Responder/Finalizar llamada                      | Pulse el botón <b>Responder/Finalizar</b> .                                        |
|                                                                                  | Rechazar llamada                                 | Presione el botón <b>Responder/Finalizar</b> y manténgalo presionado (1 segundo).  |
|  | Volver a marcar el último número                 | Pulse dos veces el botón <b>Responder/Finalizar</b> cuando no esté en una llamada. |
|  | Activar marcación por voz (depende del teléfono) | Mantenga presionado (1 segundo) el botón de <b>Voz</b> .                           |
|                                                                                  | Volumen del altavoz                              | Utilice los controles de volumen en el dispositivo móvil conectado.                |

## CARGA DEL AURICULAR

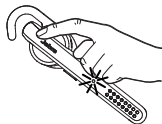

Tire de la tapa de carga hacia atrás para dejar expuesto el puerto de carga USB. Lleva aproximadamente 2 horas cargar la batería por completo.

# 1 COMO SE CONECTAR

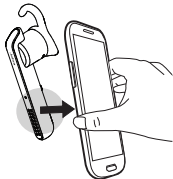

## CONECTE-SE AO DISPOSITIVO MÓVEL

1. Ligue o headset (vire a chave **Ligar/Desligar** para a posição de ligado).
2. Pressione e segure (por 3 segundos) o botão **Atender/Terminar** até o indicador do Bluetooth piscar em azul e o modo de pareamento for anunciado no headset.
3. Siga as instruções de voz de pareamento para parear o seu dispositivo Bluetooth.

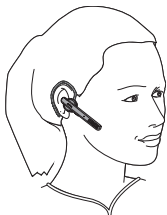

## CONECTE-SE AO DISPOSITIVO MÓVEL (USANDO NFC)

1. Certifique-se de que o NFC esteja habilitado no seu dispositivo móvel.
2. Deslize lentamente a zona NFC do headset contra a zona NFC do dispositivo móvel até uma conexão ser confirmada.

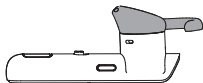

## 2 COMO USAR

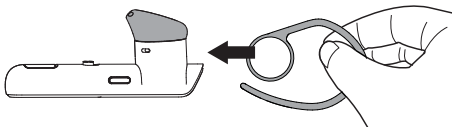

PORTUGUÊS

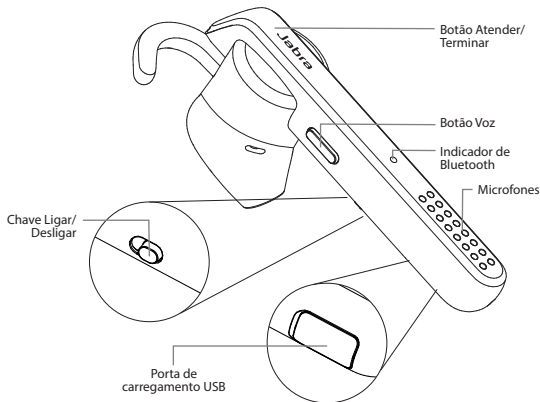

O headset pode ser usado na orelha esquerda ou direita. Há três estilos de gel de ouvido e 2 estilos de gancho de orelha.

### ANEXANDO O GANCHO DE ORELHA

# 3 COMO USAR

## VOCÊ SABIA?

O aplicativo Jabra Assist pode ajudá-lo a localizar o seu headset usando rastreamento por GPS. Baixe o aplicativo Jabra Assist para o seu dispositivo Android™ ou iOS para melhorar a sua experiência Jabra.

|                                                                                  | FUNÇÃO                                           | AÇÃO                                                                                 |
|----------------------------------------------------------------------------------|--------------------------------------------------|--------------------------------------------------------------------------------------|
|  | Ligar/Desligar                                   | Deslize a chave <b>Ligar/Desligar</b>                                                |
|  | Atender/Terminar chamada                         | Toque no botão <b>Atender/Terminar</b>                                               |
|                                                                                  | Rejeitar chamada                                 | Pressione e segure (por 1 segundo) o botão <b>Atender/Terminar</b>                   |
|  | Rediscar último número                           | Dê um toque duplo no botão <b>Atender/Terminar</b> quando não estiver em uma chamada |
|  | Ativar discagem por voz (dependente do telefone) | Pressione e segure (por 1 segundo) o botão <b>Voz</b>                                |
|                                                                                  | Volume do alto-falante                           | Use os controles de volume no dispositivo móvel conectado                            |

## CARREGAR O HEADSET

Retire a tampa de carregamento para expor a porta de carregamento USB. Leva aproximadamente 2 horas para carregar completamente a bateria.
