 Equipment: WLS912-433, PWLS912-433, WLS912L-433 & PWLS912L-433

 FCC Confirmation no.: EA99597

We have successfully electronically filed all the required documentation for an application for certification in accordance with FCC Part 15, modification filing on the above mentioned equipment, December 22, 2000. Enclosed, please find a cheque in the amount of \$145.00 US for the FCC fees for the request for confidentiality. When the FCC Form 731 was submitted electronically, the fee amount for the confidentiality did not appear even though it was checked off on the 731, therefore only the \$50.00 was transmitted and paid (remittance ID: 92933, authorization no.: 011876) electronically. A cheque for \$145.00 has been sent to the Mellon Bank along with a fee form 159 for the confidentiality fees.

If you require additional information, please do not hesitate to contact me at 1-800-563-6336 (extension 232).

Thank you in advance for your assistance in this matter.

Sincerely,
