**MARKEM-IMAJE INDUSTRIES**

26500 Bourg Les Valence, France

**MARKEM-IMAJE INDUSTRIES** wants to add the new reference 9029 to the family 9018 and 9028 printers for the FCC registration number 2AAW8 and IC registration number 11372A.

For the family models: 9029, 9028 and 9018 printers, the differences are:

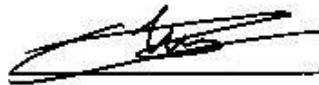

Printer model 9018 is the same as the 9028 except for filtering and distribution air module and frame modifications.

Printer model 9029 is the same as the 9028 except for aesthetic variations not safety and EMC related.

I confirm that these differences don't affect EMC test done on this family of printers.

Electronics boards are the same for this family of printers.
