To Whom It May Concern:

I would like to request that a change on the 731 form be made. This change needs to be made on the Cobra Electronics Corporation FCC ID: BBOHH100. The 731 form was submitted with the wrong emission designators listed.

This application was submitted to you on September 12, 2003 and the confirmation number is EA882378. The 731 form was submitted with the emission designators being listed as 16K0G3E/16K0F3E. The correct emission designators are 14K0G3E/14K0F3E. The test report uploaded lists the correct emission designators.

If you have any question, please feel free to contact me.
