Hi Pin:

Please see the following difference between the original T60H424 and the second T60H424.

- 1. The antenna is different.**
- 2. The support equipment is different. (Original T60H424 is with HP notebook , the second one T60H424 is with Sony notebook)**
- 3. T60H424 module is the same hardware design**

If you have any problem, please feel free to contact me.

Thanks for your help.

Best Regards

Peter Lan
