Style With Substance

Classic, contemporary, business, residential... any setting that needs wireless access is a perfect fit for the Archetech Series Antennas. The sophisticated styling of the Archetech Series blends gracefully with both interior and exterior environments. A unique universal mount allows placement at any angle on any surface. The swivel mount provides a full range of movement for manual adjustment of the antenna with a cable tray to discretely conceal connector interfaces for optimum mechanical and electrical performance. The Archetech Series isn't just about aesthetics. It delivers the best gain for its size and exceeds WLL/PCS antenna environmental requirements offering the best performance you can buy, for all your applications.
