Solder Board-Component View 2	 A photograph showing a rectangular electronic component with a black central area and green circuitry on the top and bottom edges. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The component's width is approximately 40 mm and its height is approximately 30 mm.
Solder Board-Component View 3	 A photograph showing a small rectangular electronic component with a green circuit board. The word "LOCKLY" is printed in white on the component. It is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The component's width is approximately 20 mm and its height is approximately 10 mm.

Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component, labeled 'P2018 PCB3 REV 02' and '20210922', mounted on a blue textured surface. The component is rectangular with several soldered components and a central circular feature. A black L-shaped ruler with white markings in millimeters is placed next to the component for scale.
Solder Board-Component View 5	 A photograph of a small, circular printed circuit board (PCB) component, labeled 'W40-11-10.7', mounted on a blue textured surface. The component is circular with a central square feature and several soldered components. A black L-shaped ruler with white markings in millimeters is placed next to the component for scale.
