

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

1 Test setups (f<1 GHz) – Iris-W101

EUT – Position 1

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

EUT – Position 2

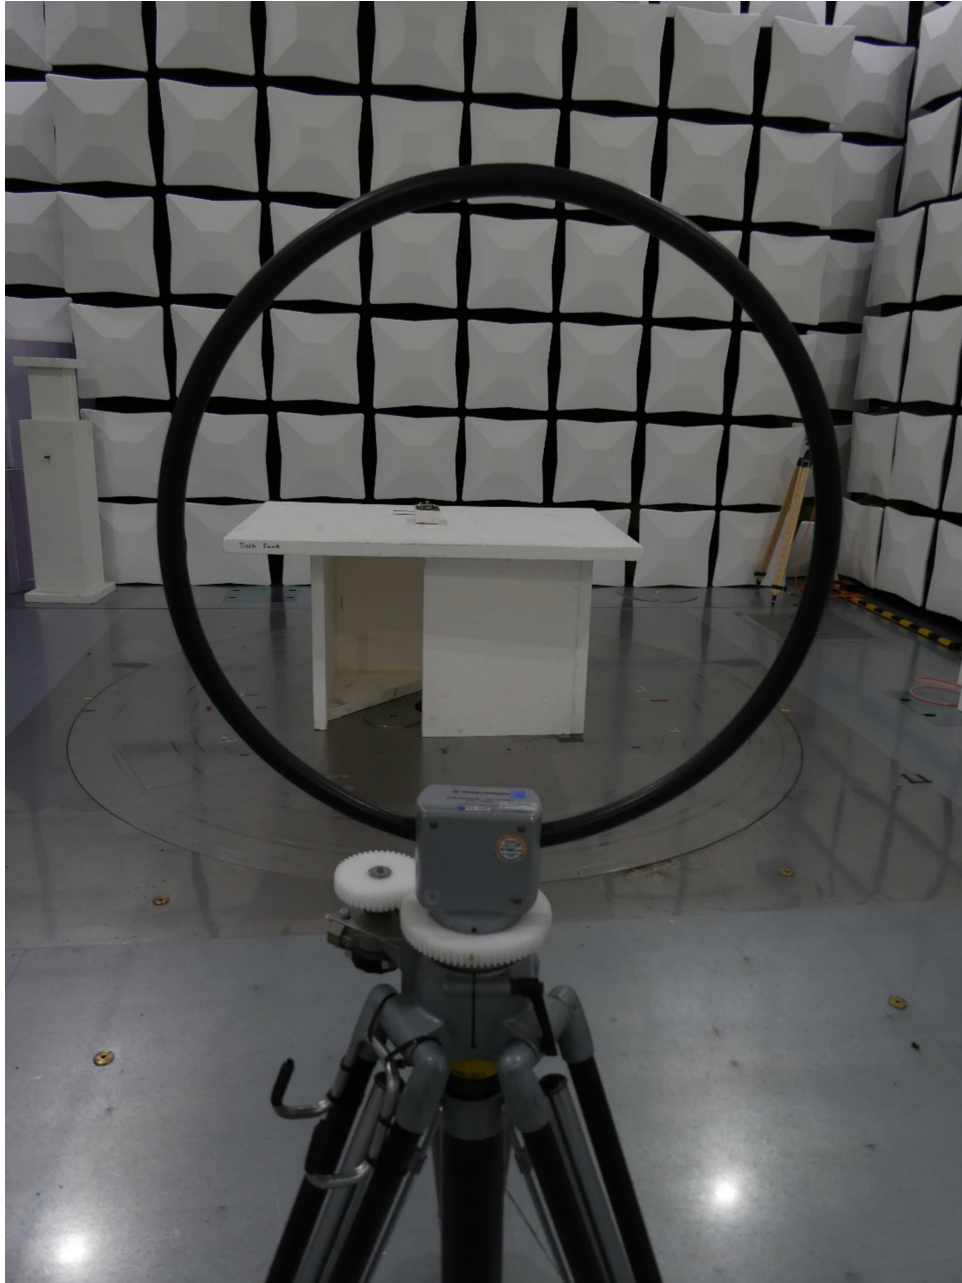

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

EUT – Position 3

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

2 Test setups (Radiated 9 kHz – 30 MHz) – Iris-W101

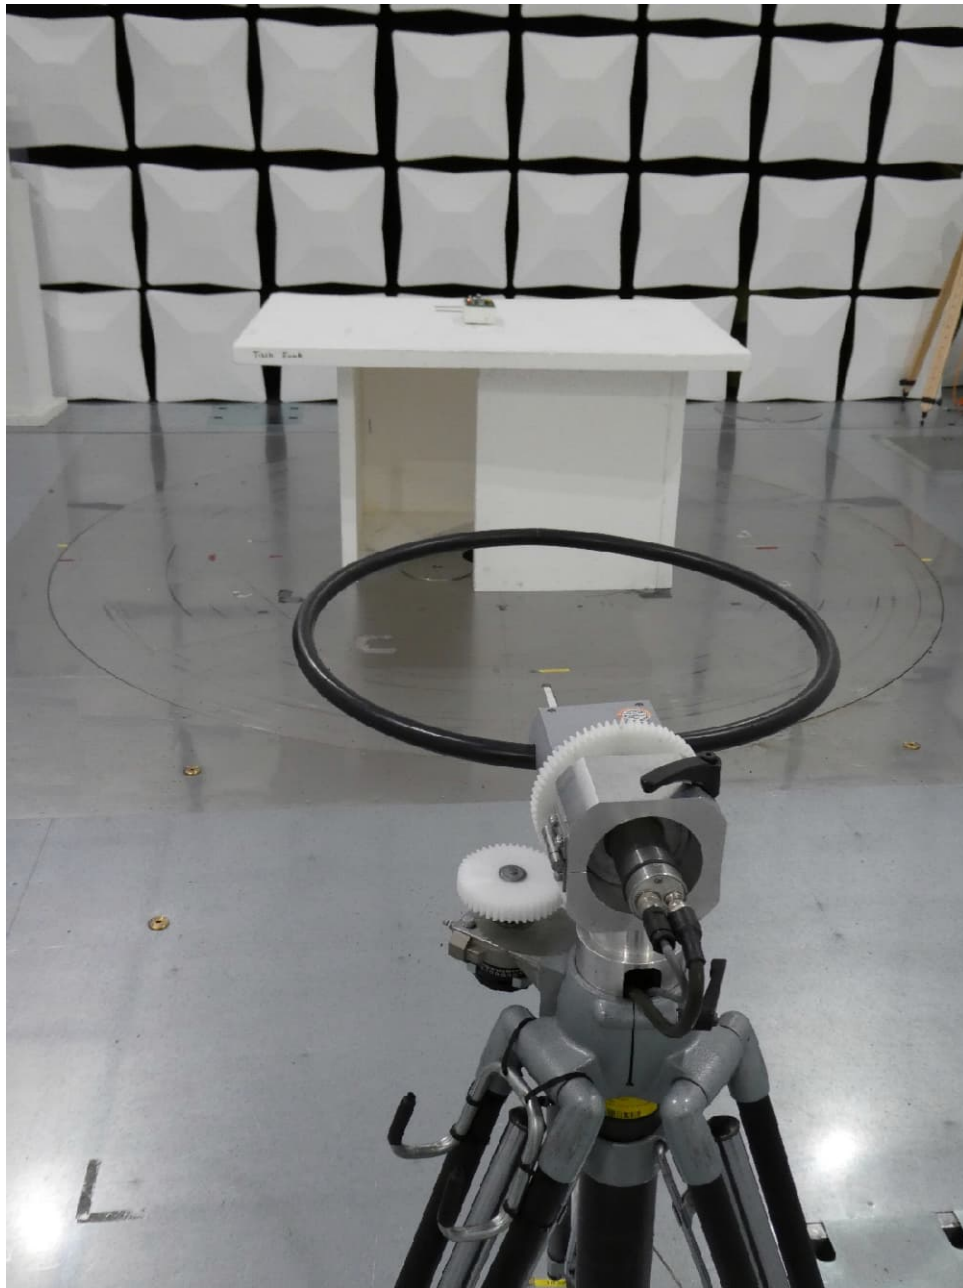

Antenna position 1, EUT Position 1

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

Antenna position 2, EUT Position 1

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

Antenna position 3, EUT Position 1

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

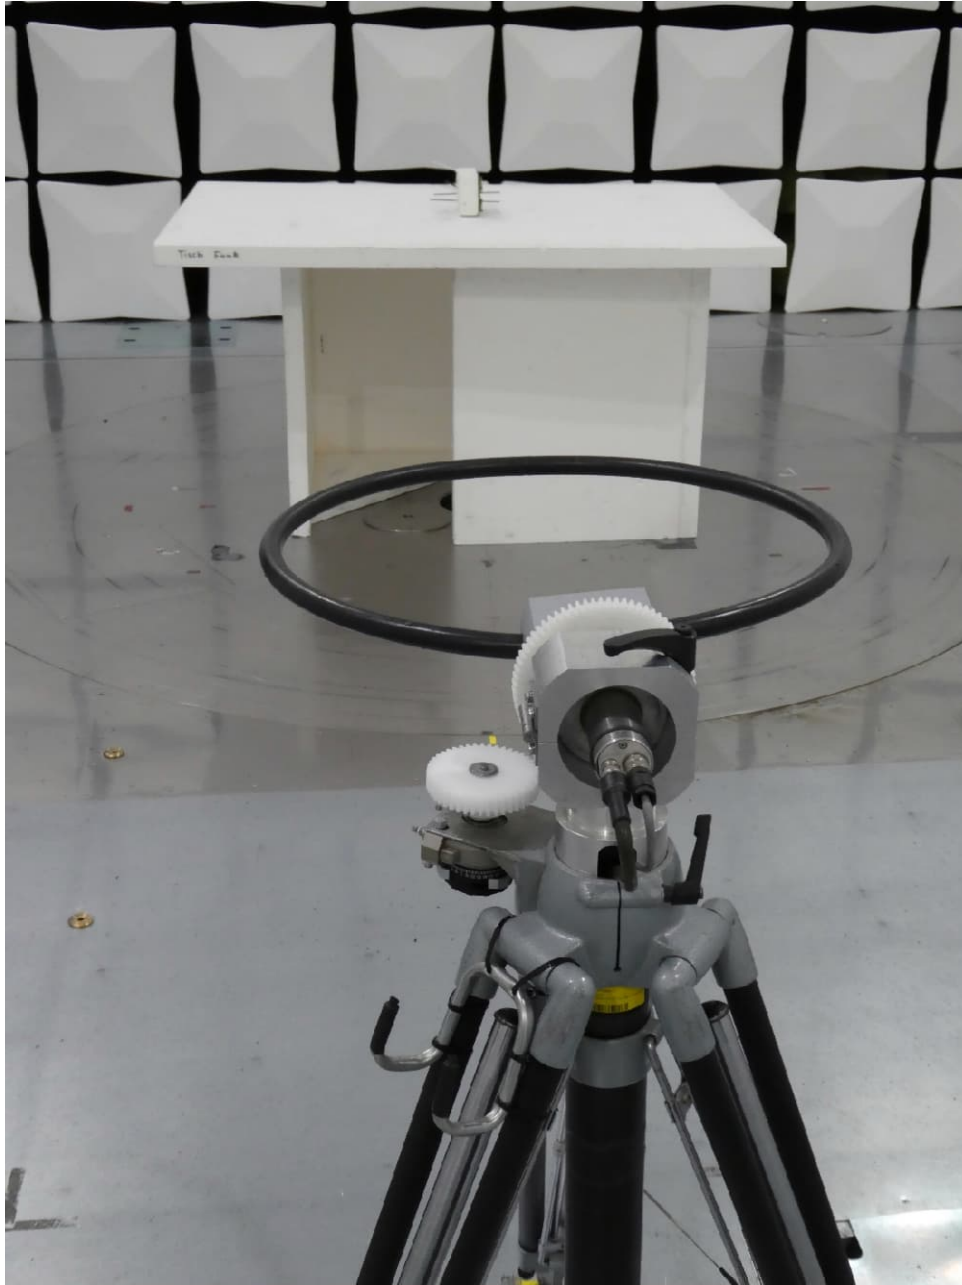

Antenna position 1, EUT Position 2

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

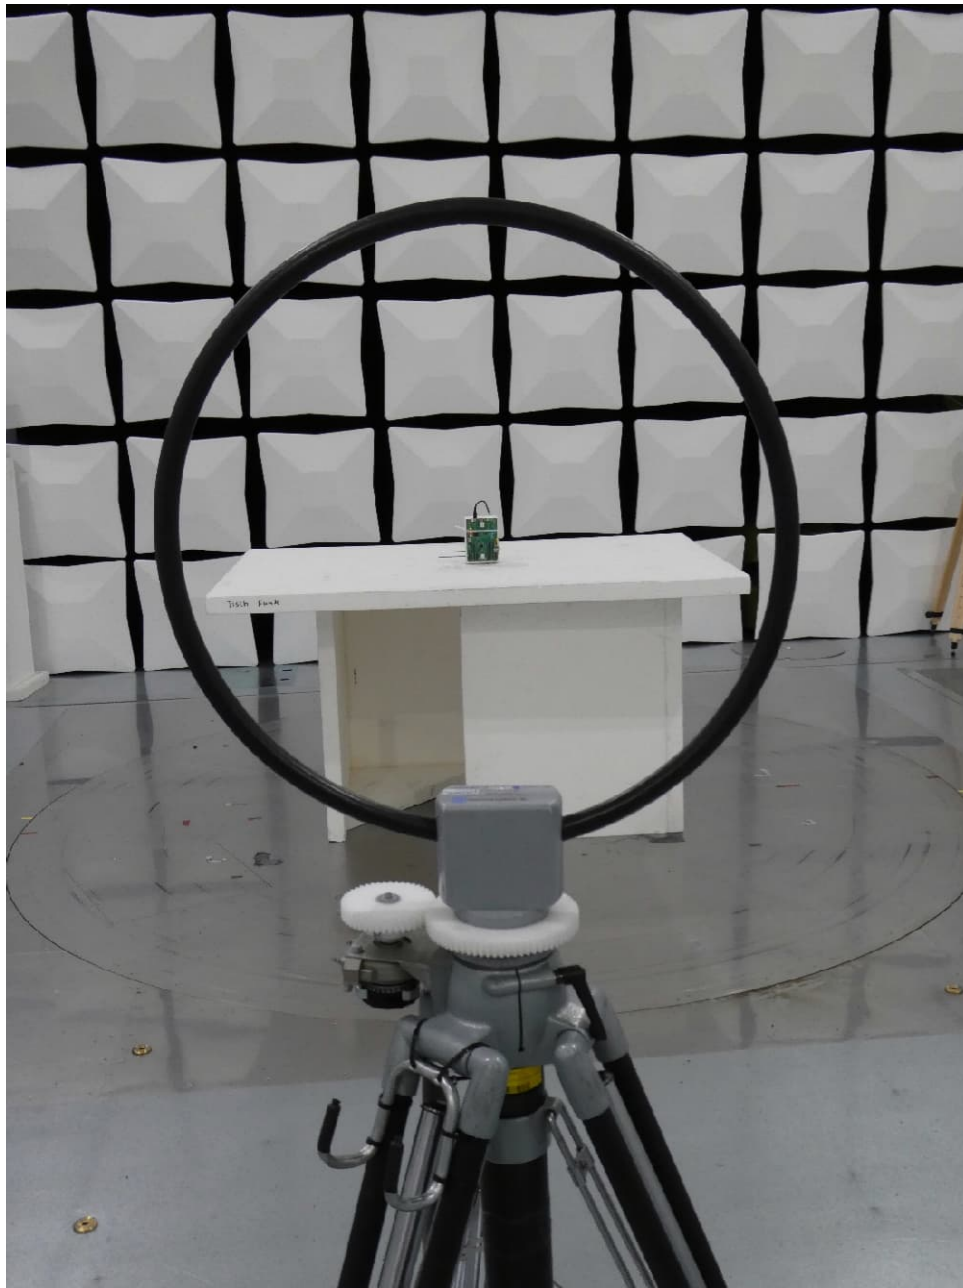

Antenna position 2, EUT Position 2

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

Antenna position 3, EUT Position 2

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

Antenna position 1, EUT Position 3

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

Antenna position 2, EUT Position 3

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

Antenna position 3, EUT Position 3

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

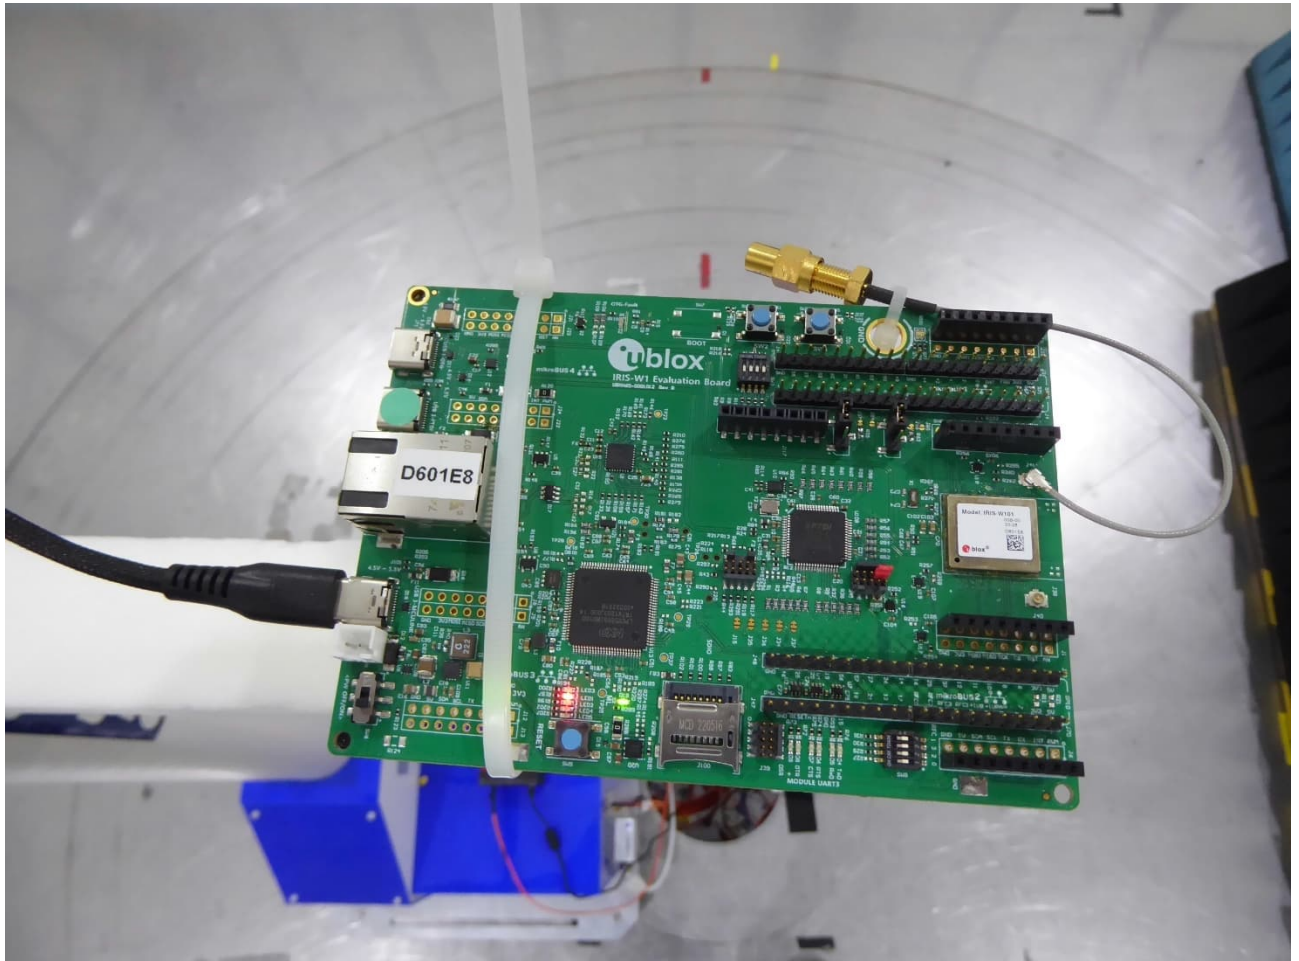

3 Test setups (Radiated 30 MHz – 1 GHz) – Iris-W101

EUT – Position 3

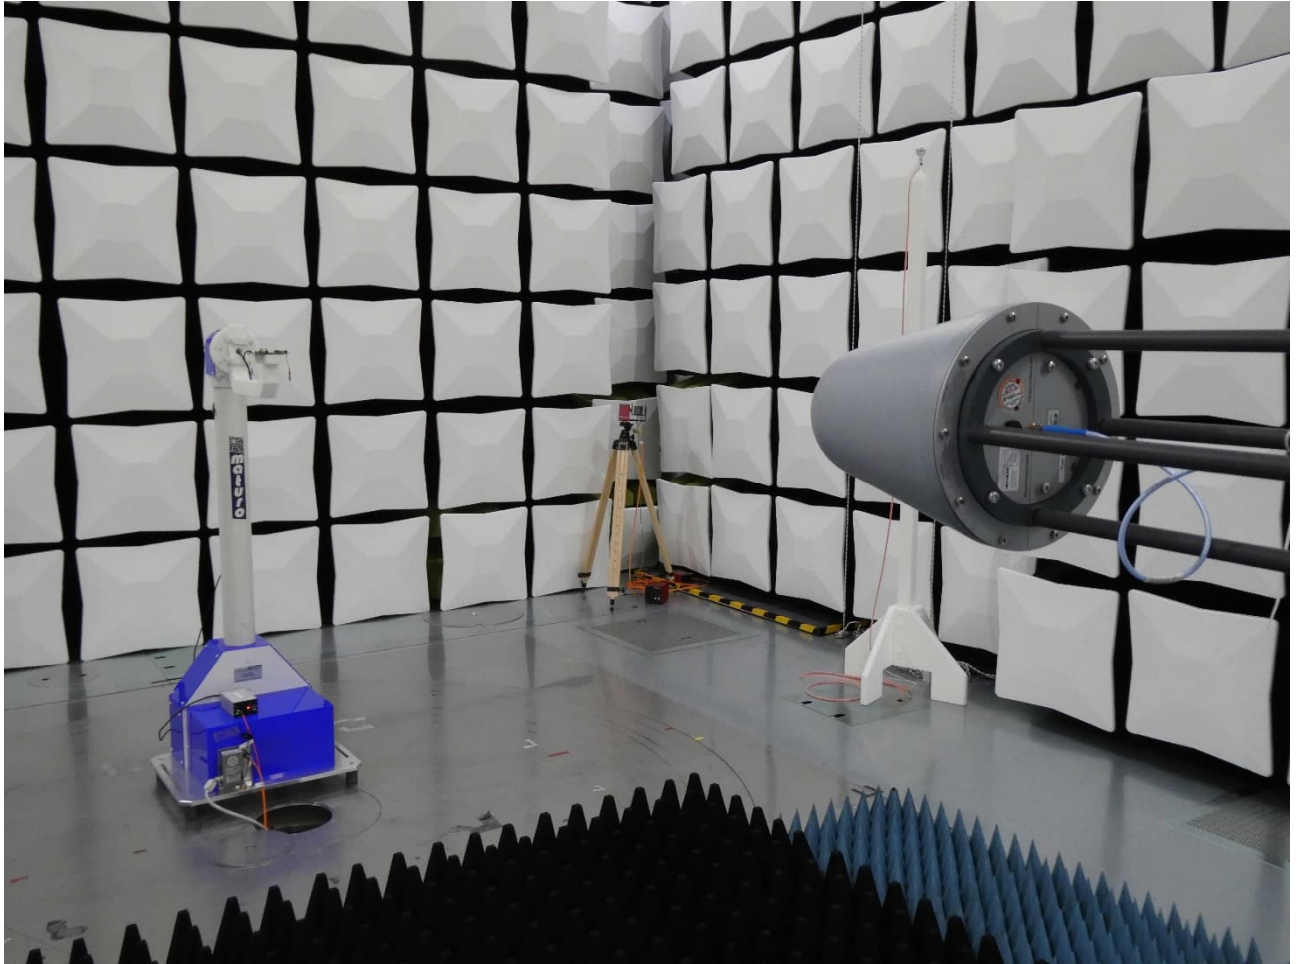

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

4 Test setups (Radiated above 1 GHz) – Iris-W101

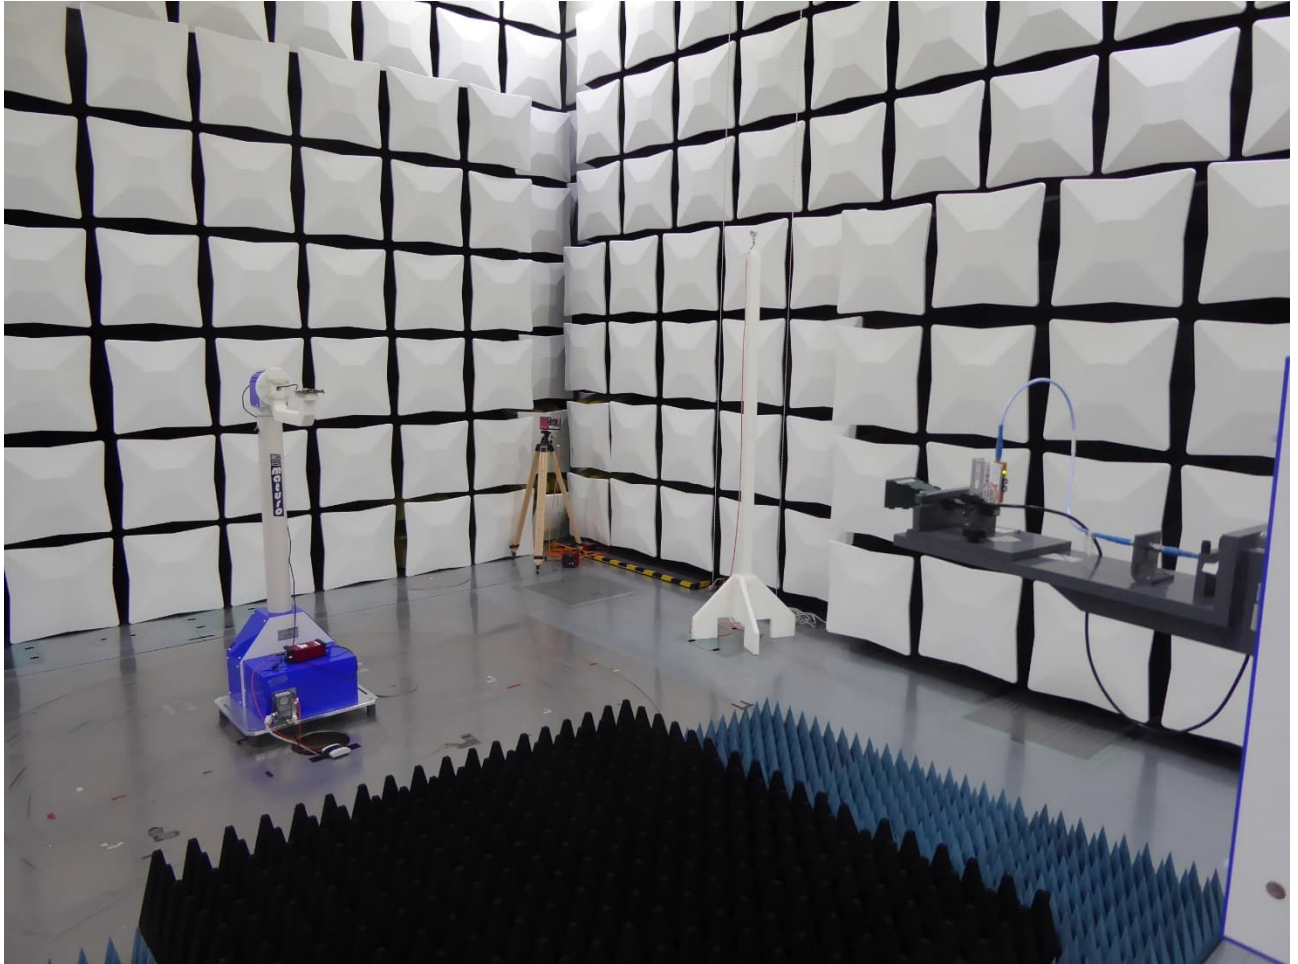

EUT on positioner

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

1 – 18 GHz

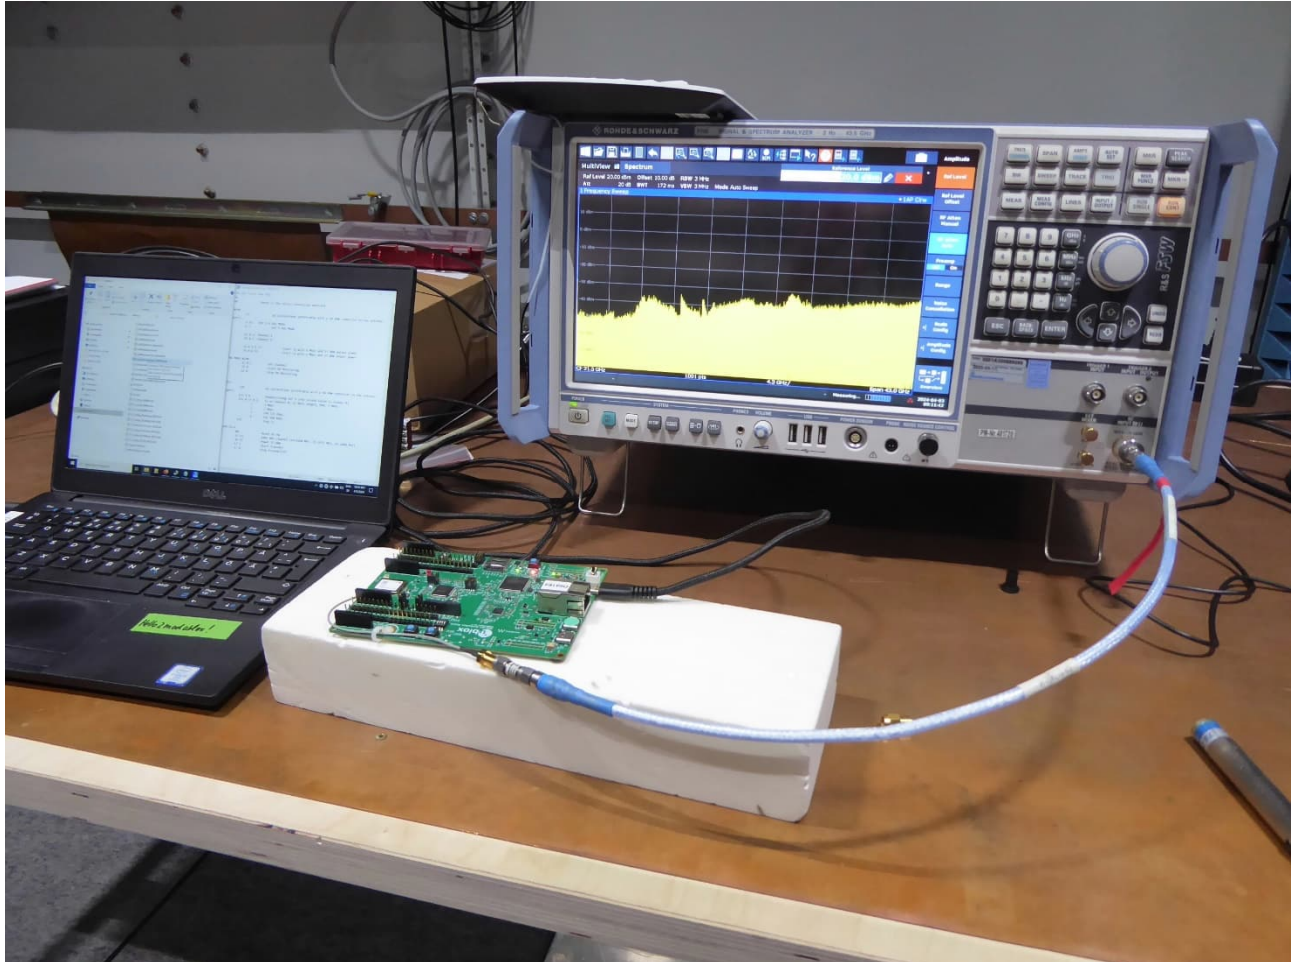

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

18 – 26.5 GHz

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

5 Test setups (Conducted @ antenna port) Iris-W101

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

6 Test setups (AC power line conducted) Iris-W101

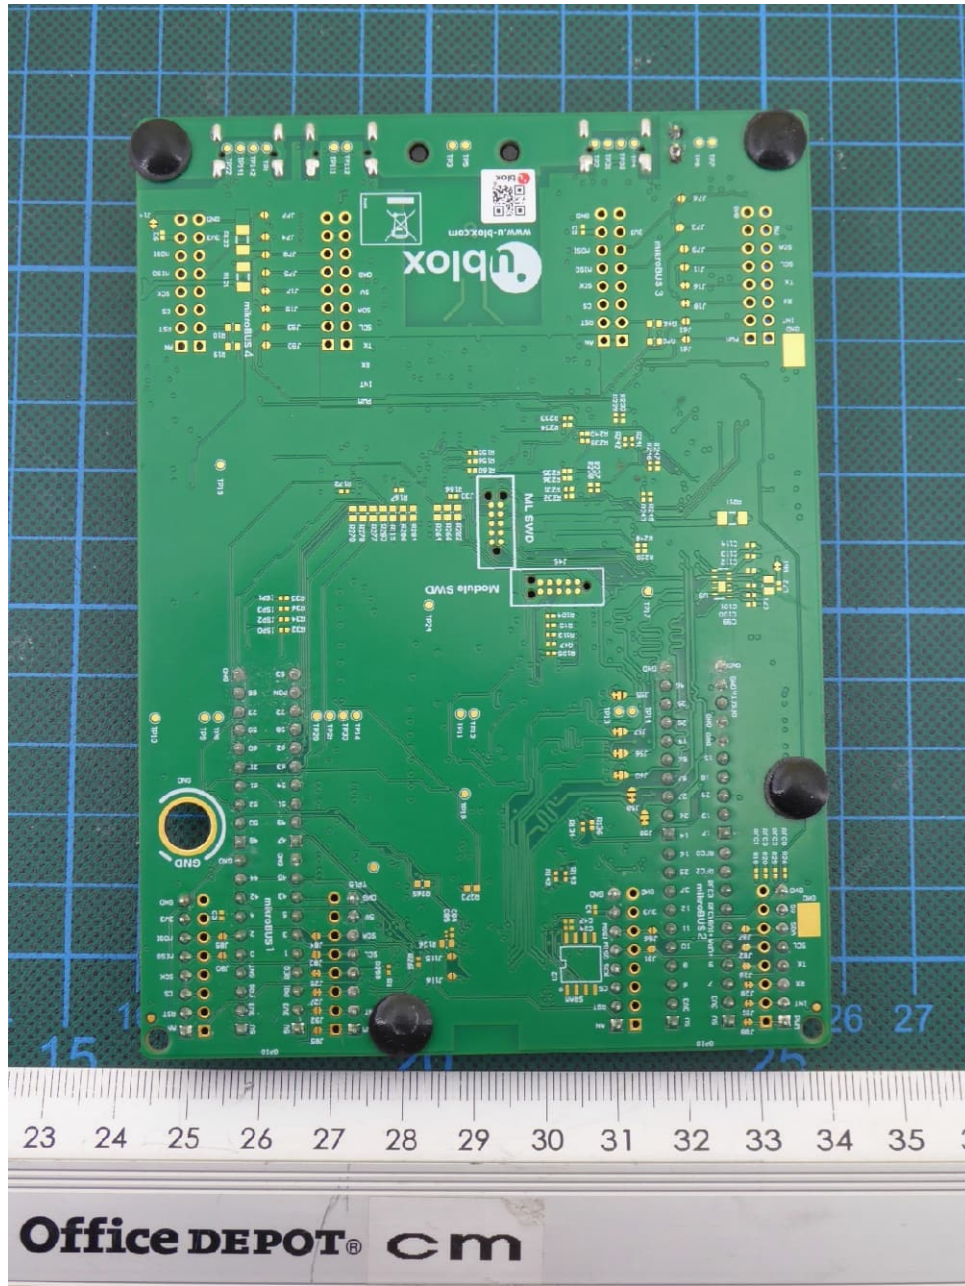

Annex A Test setup photos and equipment used for testing (IRIS-W101-00B)

7 EUT setup photographs

IRIS-W101-00B on evaluation board – top view
