EUT View 5	 A photograph showing the back of a dark-colored smartphone lying on a light blue textured surface. A black L-shaped ruler is placed next to the phone for scale. The ruler's horizontal edge is at the bottom, and its vertical edge is on the left. The phone is positioned to the right of the vertical ruler edge. The back of the phone features a dual-camera system in the bottom-left corner and a small white label with text in the bottom-right corner. The ruler has white markings in millimeters and centimeters.
EUT View 6	 A photograph showing the back of the same smartphone from a slightly different angle. The phone is centered in the frame, with the L-shaped ruler positioned below and to its left. The background is the same light blue textured surface. The dual-camera system and the white label are visible on the back of the phone. The ruler provides a clear scale for the phone's dimensions.

EUT View 7	 A black smartphone is shown from the back, lying on a blue textured surface. A black ruler with white markings is placed next to it for scale. The ruler shows measurements in both centimeters and millimeters. The phone's camera module is visible in the top right corner.
EUT View 8	 A close-up view of the bottom of the black smartphone. The phone is lying on a blue textured surface. The bottom edge shows the speaker grille, charging port, and microphone. The back of the phone is visible, showing the BLU logo and text: "BLU Products, Inc. Model P02 5G" and "Designed in Miami".
