**C2PC** Declaration

1. Augmedics will be using the WiFi module certified on 03/11/2019 under FCC ID: 2AR2O-VOB-P3310 in its own device known as the "xvision-spine (XVS)" system.

2. The module will be inserted in the headset of the "xvision-spine (XVS)" and will now be body worn with a separation distance of 4cm from the user.

3. Only the DTS WiFi g transmitter of the module will be operational. The other 2 transmitters (DSS and NII transmitters) and BLE (DTS) transmitter are non-operational by software.

4. In support of our request for a C2PC we are submitting the following:

- a. C2PC 731 form
- b. C2PC declaration
- c. Host label
- d. Exterior photos of host and photo of module in host
- e. SAR exemption calculation
- f. Host user manual

g. Photos and/or technical drawings of the device to show the 4 cm separation distance.

5. The documents support our request for a C2PC.

Thank you,

Stuart Wolf, CTO
