

MANUAL (ENGLISH) <u>Instructions:</u> • Using the included USB micro cable (minimum of 5V 2A is required), connect to a computer or wall charger (sold seperately) to enable wireless charging. • Confirm that your device has a built in Qi reciever or insert a Qi wireless reciever before charging. • Place your Qi enabled device in the center of the charging plate. • Red light will illuminate when plugged in and blue light will illuminate when charging. <u>Specifications:</u> • Model: XAH8-1001-BLK • Input: 5V/2A • Output: 5W • Dimensions: 3.85in (98mm) x 3.85in (98mm) x 0.417in (10.6mm) • Operational Tempterature: 40°F (5°C) - 95°F (35°C) • Charging Distance: 0-0.25in (0-mm) <u>Warnings & Precautions</u> • Do not leave the product in a hot location. • Do not disassemble, modify, or repair this product. • Do not allow water or liquids to come in contact with the product. • Do not place any metallic items on the surface of the product. • If a no Qi compatible device is used, charger may overheat. • Disable vibration features while charging to ensure vibration does not move the device and lose charge. • Multiple Qi enabled devices cannot be charged at the same time. 2	<u>FCC Compliance</u> This device complies with Part 15 of the FCC. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: —Reorient or relocate the receiving antenna. —Increase the separation between the equipment and receiver. —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. —Consult the dealer or an experienced radio/TV technician for help. <u>RF Exposure Statement</u> To satisfy FCC's RF exposure requirements, a separation distance of 20 cm or more should be maintained between the antenna of this device and persons during device operation. To ensure compliance, operations at closer than this distance is not recommended. 3	<u>ONE YEAR WARRANTY</u> Xtreme warrants its products for ONE YEAR against defects in manufacturing under regular consumer use with original receipt of retail purchase. We believe in our products and want to provide you with a replacement if needed, only in which the product is still under warranty. If you discover a defect covered by this warranty, please contact us about receiving a replacement. <i>*Any customers outside of the U.S. will be responsible for shipping and handling charges if a replacement is required that is not due to a manufacturing defect. If there is not a manufacturing defect, shipping and handling will be applied.</i> Xtreme's warranty is limited to our products only. Our warranty does not cover the replacement or repair cost of any third-party accessory, electronic device or personal property. For more details on what is not covered under warranty, please go to www.xtremecables.com/oneyearwarranty.aspx For instructions about how to obtain warranty service for your product, please contact Customer Service at customerservice@xtremecables.com Package Contents: Wireless Charger Micro USB Cable 4	Caution: This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna • Increase the separation between the equipment and receiver • Connect the equipment into an outlet on a circuit different from that to which the receiver in connected. • Consult the dealer or an experienced radio/TV technician for help This product may cause interference to radio equipment and should not be installed near maritime safety communications equipment or other critical navigation or communication equipment operating between 0.45-30 MHz 5	 5W Wireless Chargeress Charger XAH8-1001-BLK FRANÇAIS 855-999-8041 www.XtremeCables.com
