

2/15/2017

Dear Application Examiner:

Select Comfort Corporation is submitting this application for certification of their 360 SIQ air pump. FCC ID: LPM-7000C. It uses a pre-certified Wifi radio (FCCID: Z64-WL18SBMOD), a 802.15.4 radio, and a Bluetooth Low Energy radio that are controlled via handheld remote control and or a smart device application. The 360 SIQ air pump is a 120VAC powered device that allows the user to set a desired comfort level for an individualized sleep experience, as well as monitoring movement and biometric signals through changes of air pressure internal to the mattress.

The Bluetooth Low Energy radio utilizes a single integral PCB etch antenna. The 802.15.4 radio also utilizes a separate single integral PCB etch antenna.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.247

Your efforts in reviewing this application are greatly appreciated.

Best Regards,

A handwritten signature in black ink that reads "Jeffery Barnum". The signature is fluid and cursive, with the first name "Jeffery" and last name "Barnum" clearly distinguishable.

Jeffery Barnum
