Re: Application for Cellular Transceiver Type Acceptance

QUALCOMM herein submits the Application for Equipment Authorization (FCC Form 731) and Exhibits for Type Acceptance of a Cellular Transceiver, FCC ID J9CQSEC800.

Applicant: QUALCOMM, INC.
5775 Morehouse Dr.
San Diego, CA 92121

Manufacture: QUALCOMM, INC.
5775 Morehouse Drive
San Diego, CA 92121

The equipment, QUALCOMM model QSEC 800, is for mobile station cellular system use. The QSEC800 is in full compliance with all parts of EIA/TIA/IS-98-A Mobile Station-Land Station Compatibility Specification, issue July 1996.

Information concerning how the ESN protection requirements are met is provided in Exhibit 4: ESN Protection 22.919.
