

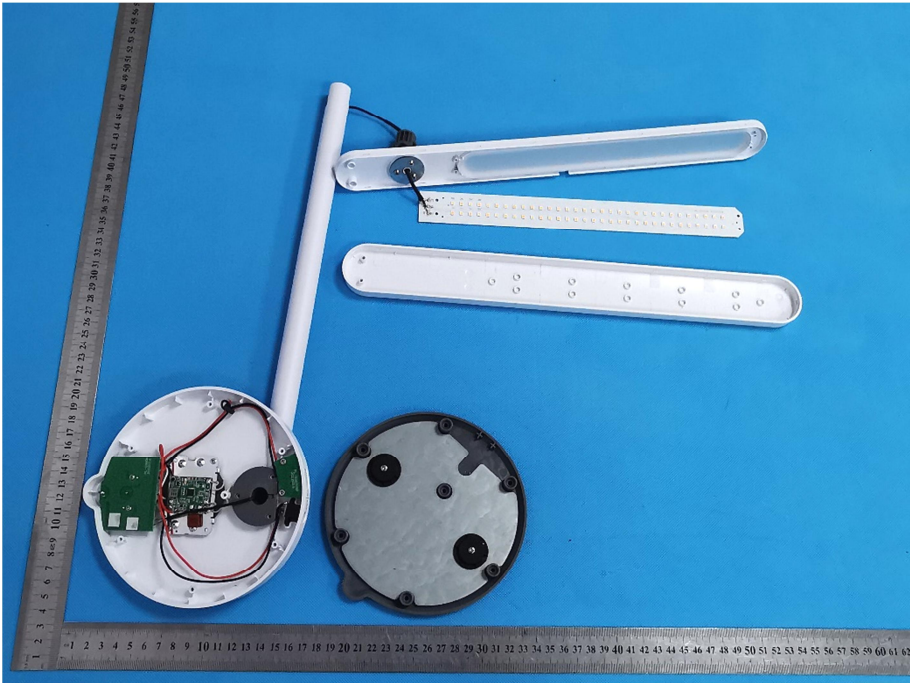

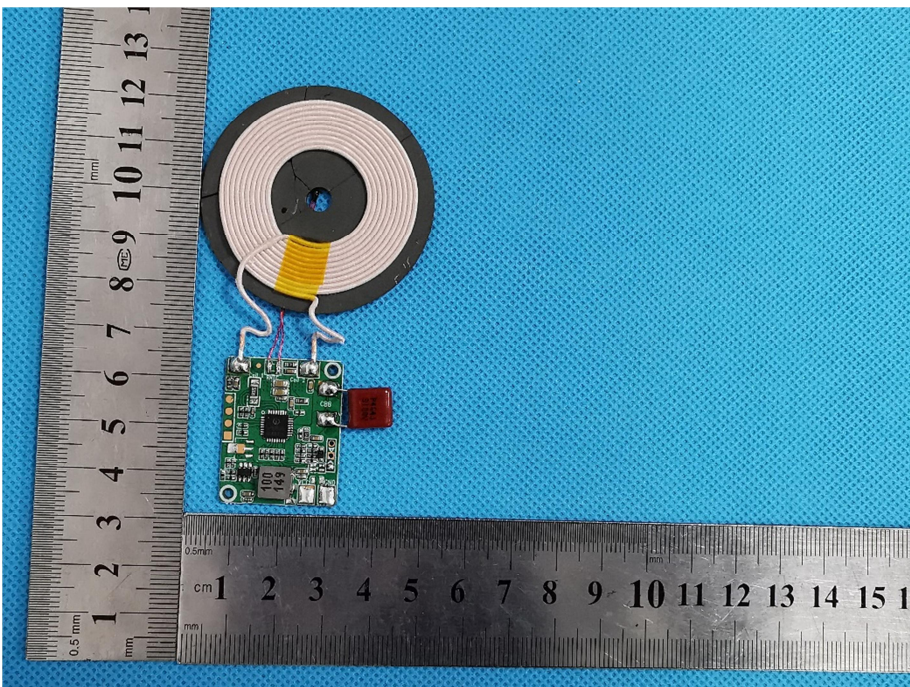

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

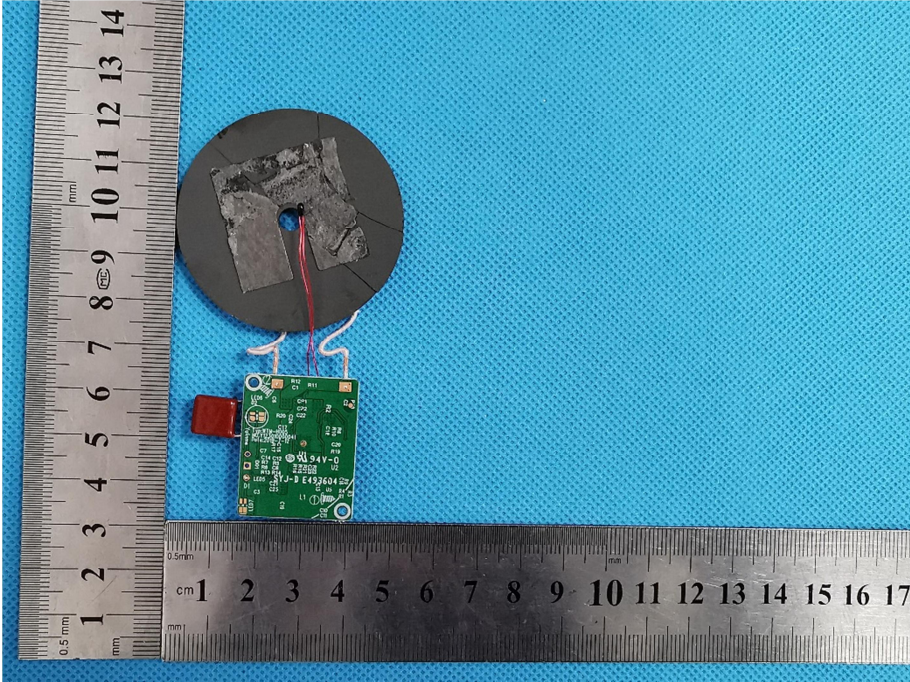

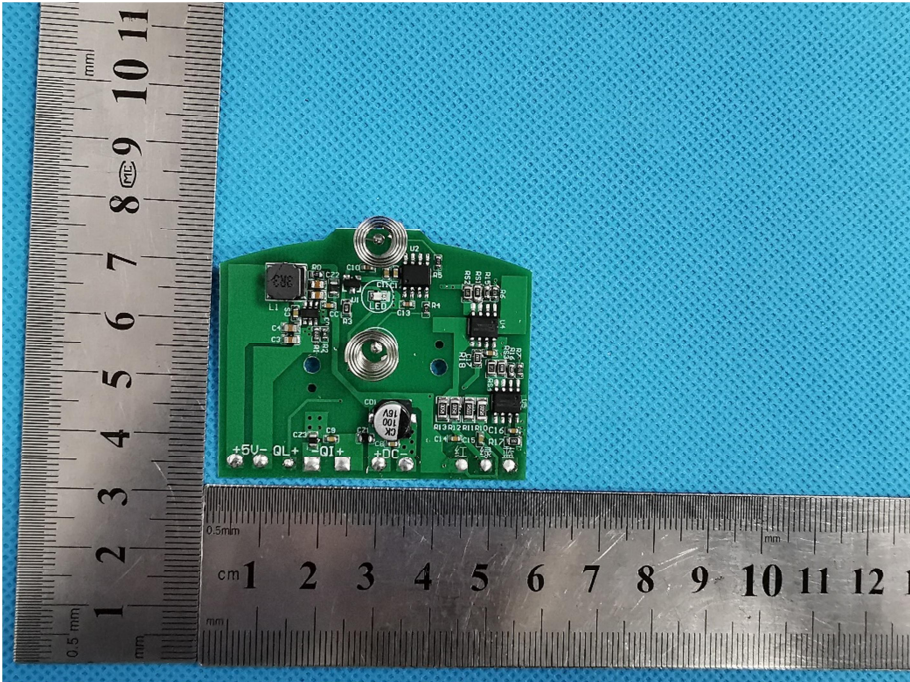

PL-0360QU

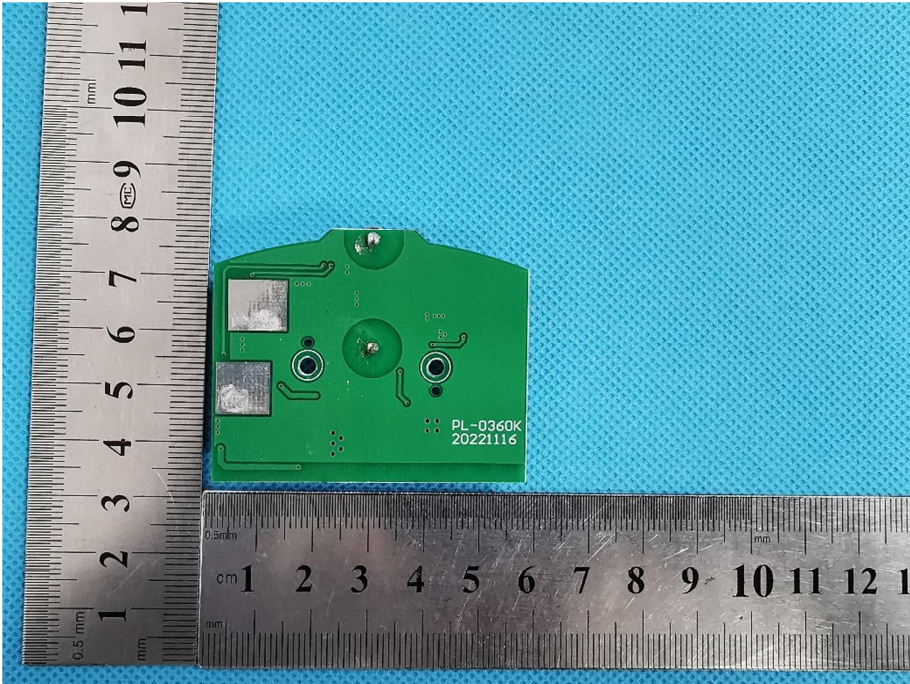

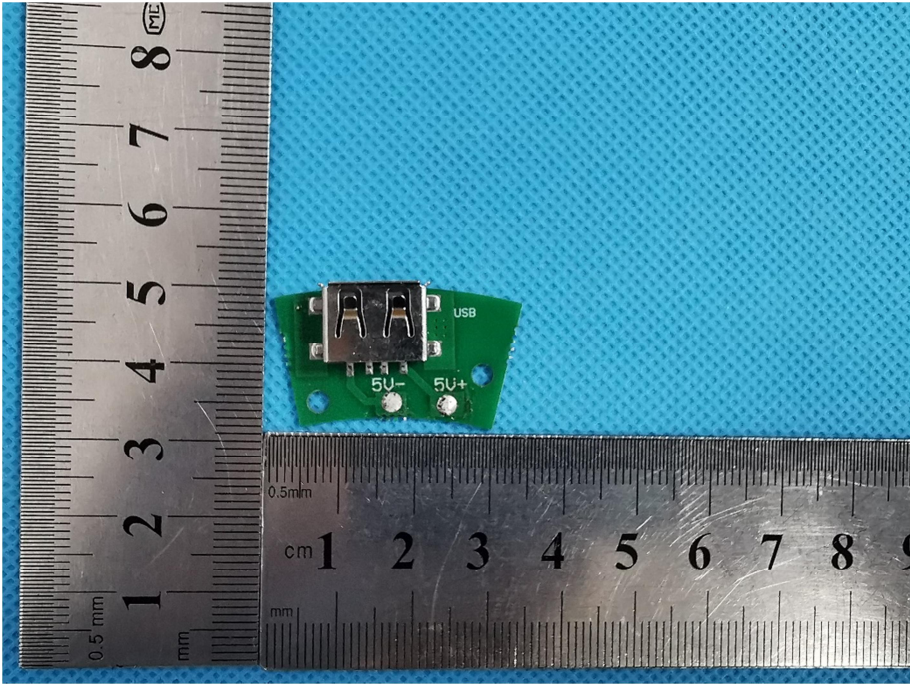

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph showing a small green printed circuit board (PCB) component with a red component and two thin wires (one red, one white) attached. The component is placed on a blue textured surface next to a vertical ruler (0-14 cm) and a horizontal ruler (0-17 cm). A circular black object is also visible above the component.
Solder Board-Component View 3	 A photograph showing the same green PCB component from a different angle, highlighting various electronic components like capacitors, resistors, and integrated circuits. It is placed next to a vertical ruler (0-11 cm) and a horizontal ruler (0-12 cm).

Solder Board-Component View 4	 A photograph of a green printed circuit board (PCB) component, labeled "PL-0360K 20221116", positioned next to a metal ruler. The ruler shows measurements in millimeters (0 to 11) and centimeters (1 to 12). The component has several circular solder pads and a central circular feature. The background is a blue textured surface.
Solder Board-Component View 5	 A photograph of a green printed circuit board (PCB) component, labeled "USB 5V- 5V+", positioned next to a metal ruler. The ruler shows measurements in millimeters (0 to 8) and centimeters (1 to 9). The component features a USB connector and two circular solder pads. The background is a blue textured surface.
