

MODEL:HP-H005-MA

Input Voltage: 12V_~ 500mA

Consumption: 5W

Bluetooth range: 2402-2480MHz

Max. RF emission power:-0.864dBm

FCC ID: 2AQ4R-HP-H005A

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Made in China

CAUTION - VORSICHT - ATTENTION - OPGELET

Shock hazard - Do not open the housing
Stromschlaggefahr - Nicht das Gehäuse öffnen
Risque de choc électrique - Ne pas ouvrir le boîtier
Risico voor elektrische schok - Niet de behuizing openen
