To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting confidentiality for exhibits filed with the commission supporting the application of equipment authorization for those items referenced above.

VeriFone Inc respectfully requests the Commission to withhold indefinitely from public disclosure the following attachments under Long-Term Confidentiality.

- Schematic Diagrams
- Block Diagrams
- Part List
- Operational Description
- Tune-up Procedure

The above listed documents contain detailed system and equipment descriptions that are proprietary and confidential information under VeriFone trade secret protection. Public disclosure of above documents would be harmful to our company and would provide competitors an unfair advantage. This information is not made publicly available even after commercial release of the device.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

Kenji Chao
