

Test Positions

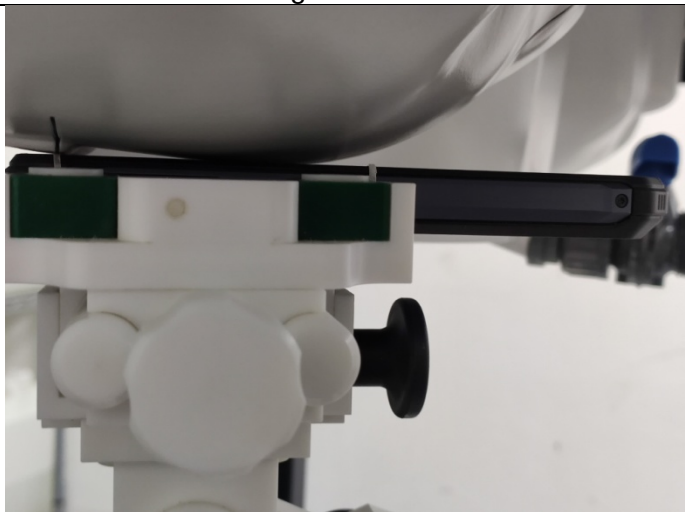

Left Cheek

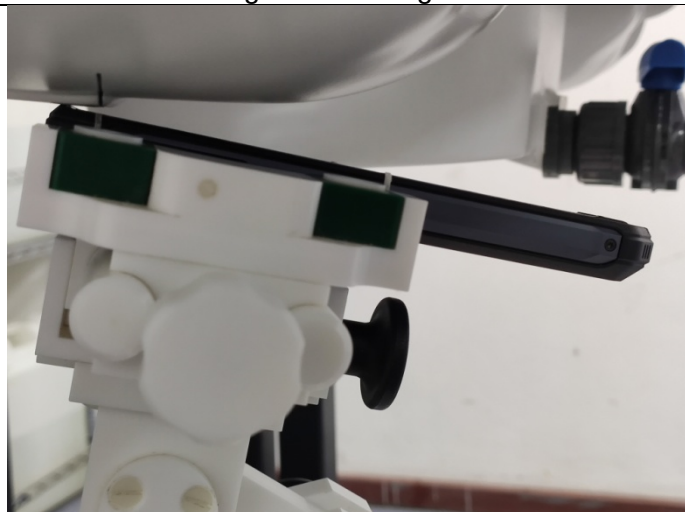

Left Tilt 15 Degree

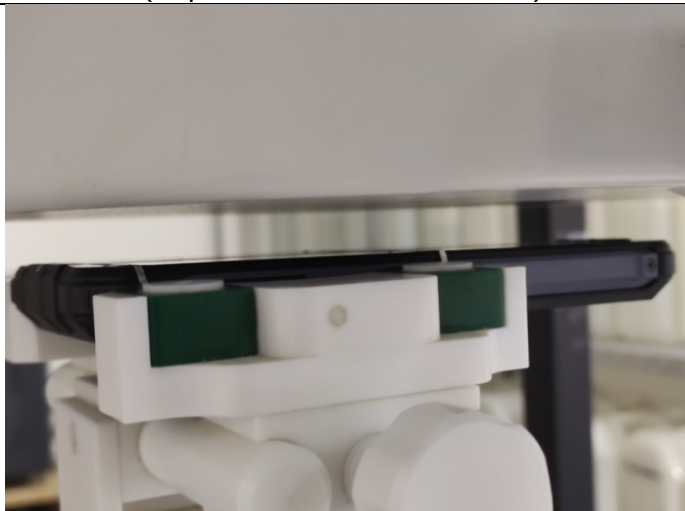

Right Cheek

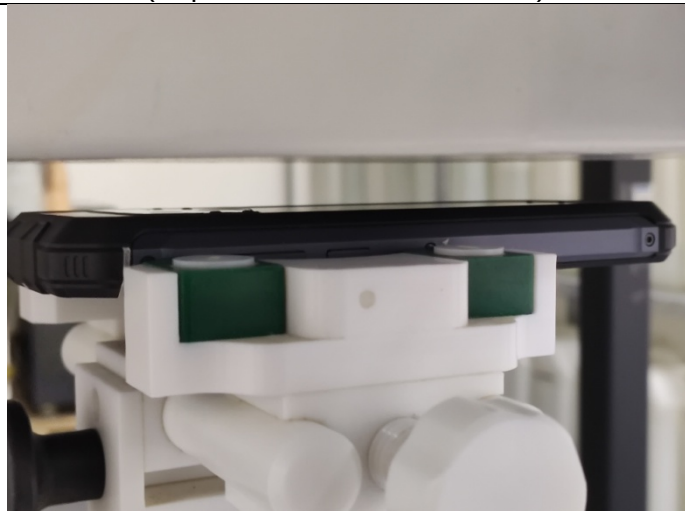

Right Tilt 15 Degree

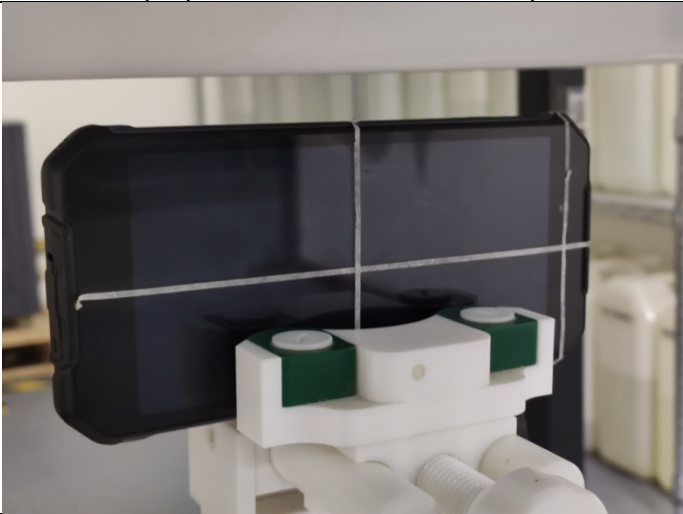

Front Side
(Separation distance of 10mm)

Back Side
(Separation distance of 10mm)

FCC ID: 2ANMU-WP3

Left Side (Separation distance of 10mm)  A close-up photograph showing the left side of a black electronic device mounted on a white plastic stand. The stand has green adjustment knobs. A white string is tied around the device and the stand to hold it in place. The background is a blurred laboratory or workshop setting.	Right Side (Separation distance of 10mm)  A close-up photograph showing the right side of the black electronic device on the white stand. Similar to the left side view, a white string is used to secure the device. The background is the same blurred indoor environment.
Top Side (Separation distance of 10mm)  A photograph taken from a slightly elevated angle looking down at the top of the device on the stand. The white string is clearly visible crisscrossing over the device. The background shows more of the room, including a wooden pallet and other equipment.	Bottom Side (Separation distance of 10mm)  A photograph taken from a low angle looking up at the bottom of the device on the stand. The white string is visible. The background is similar to the other views, showing the indoor setting.
