

Fibocom Wireless Inc.

5/F, Tower A, Technology Building II, 1057 Nanhai Blvd, Nanshan, Shenzhen, China

Product Difference Declaration

We, **Fibocom Wireless Inc.**, as the manufacture, hereby declare that we are only and fully responsible for this second source of our product **LTE module**, brand name: **Fibocom**, model name: **L830-EB-11**. The main difference is removing WCDMA Band V & LTE Band 5, removing GNSS and adding LTE Band 32.

The detail differences from the original source are as listed below:

	Original	Second Source
Brand Name	LTE module	LTE module
Model Name	L830-EB	L830-EB-11
FCC ID	ZMOL830EB	ZMOL830EB11
HW Version	V1.0.1	V1.0.1
SW Version	18300.1002.00.01.01.04_R04	18300.1002.00.01.01.05_R01
WCDMA	1,5,8	1,8
LTE	1,3,5,7,8,20,28	1, 3, 7, 8, 20, 28, 32

Except for the above-mentioned modification, All the parameters are the same.

If you have any question regarding this declaration, please don't hesitate to contact us.

Thank you!
