Declaration Letter

We, Honeywell International Inc. declare that our product (Model: HON-ST60, Brand: Honeywell) although the RF Chipset supports IEEE 802.11b/g/n and Bluetooth function, but we used firmware/software to disable the Bluetooth function, and it can't changeable by end-user. The product will enable only IEEE 802.11b/g/n function.

If you have any questions regarding the authorization, please do not hesitate to contact us. Thank you!

Sincerely,

Michael Robinson
