EUT View 1	 A black handheld barcode scanner and its charging dock are shown next to a ruler. The scanner is on the left, and the dock is on the right. A black cable with a USB connector is coiled above the dock. The ruler is placed vertically to the left of the scanner and dock, showing measurements in centimeters and millimeters. The background is a light blue surface.
EUT View 2	 A side view of the black handheld barcode scanner is shown next to a ruler. The scanner is positioned vertically, and the ruler is placed to its left, showing measurements in centimeters and millimeters. The background is a light blue surface.
