Re.: Application on Class II permissive change

Model Name: ODIN-W262
Module FCC ID: A4C01005A
Dated: 02/27/2017

To Whom It May Concern,

We, RM Acquisition LLC, would like to file a Class II Permissive Change on WLAN and Bluetooth Module identified by FCC ID: A4C01005A, which will be installed into end system- E-LOG AND FLEET MANAGEMENT DEVICE, Model: DC700

This Class II Permissive Change on module is to address new end-use operational conditions:

- Change the modular approval to limited modular approval to end host DC700 only,
- Disable operation at all 5GHz U-NII frequency bands (Equipment Class NII),
- Co-location or operating in conjunction with
 - a) licensed transmitters, which is modular approved under separate FCC ID: QIPPTS8.
 - b) unlicensed transmitters, which is under host DC700 FCC ID: A4C01006A

There is no other change made to WLAN and Bluetooth Module itself.

Thank you for your attention to this matter.

Sincerely

Name : Grace Chang
