Re:	FCC ID CKENKE2252
Applicant:	Japan Radio Co Ltd
Correspondence Reference Number:	28173
731 Confirmation Number:	EA937740

To whom it may concern:

It was brought to our attention that the transmitter output power of the NKE2252 was listed as 25 Watts on our original application. That is wrong. The transmitter output power of the NKE2252 is 25KW (25,000 Watts). We are sorry for the confusion.

Should you have any questions or concerns, please feel free to contact me directly.

With Best Regards,

Eric D'Ancicco
