Re: Change of Identification Authorization, FCC ID: 2ADHKWFI32E01

To Whom It May Concern:

This letter grants authorization for representatives of Hughes Network Systems to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Microchip Technology Inc., Model WFI32E01UE
FCC ID: 2ADHKWFI32E01. The original grant date is: 07/01/2020

We are aware that Hughes Network Systems intends to market the above referenced product under their own FCC ID: K3Y-MC-WLAN.

Microchip Technology Inc. will continue to sell their device under their existing FCC ID.

The Model with a change in ID is identical in design and construction with our original model. The original test results continue to be representative of and applicable to the module with a change in ID.

Sincerely,
