USB-C Input/Output	5V = 1A
Wireless Output	3W
Size	84*49*77mm
Net Weight	75g

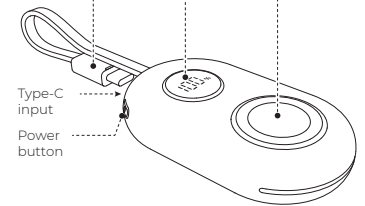

Packing List

Watch charger *1,
User Manual *1

Product introduction

The product is a 2500mAh wireless watch charger. It adopts high polymer battery and is designed with a digital display for you to monitor the battery level in real time. The built-in Type-C cable supports both input and output so that you can recharge the wireless watch charger conveniently as well as give your Type-C phone an emergency charge. The built-in cable can also be used as a lanyard which makes it very easy to carry. It's perfect to be used at home, in the office or on-the-go. The high flame-retardant material and smart protection system (including over-current protection, over-voltage protection, over temperature protection, etc.) guarantee a safe charging.

Product diagram

Operation instructions

- In turned off status: press the button to turn on the product - the digital display will light up, the ambient light (see blue light) will be activated.
- In turned on status: press the button to turn on/off the ambient light.

- In turned on status: the product will turn off no operation is made within 30s - the ambient light and digital display will turn off.

Precautions

- Please keep it away from children.
- Improper use may damage the product or endanger personal and property safety.
- Non-professionals are strictly prohibited to disassemble this product.
- Electrical appliances or loads that exceed the output current of this product are prohibited (automatic protection will be activated and no output will be given).
- Avoid force physical actions, including knocking, throwing, trampling, squeezing, etc.
- Please charge your device after the car engine starts.
- Do not charge high-power devices to prevent device damage caused by excessive power.
- Do not use it in wet environment or thunderstorm weather.
- Do not clean the device with strong chemicals, cleaning agents, etc. and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Tips

Improper use may damage the product or endanger personal and property safety.

We hope you never have the need, but if you do, our service is friendly and hassle-free.

- Activate the lifetime warranty for you!
- If you need help, our solutions will hyper drive you to within 12 hours.

FCC Caution:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device must not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

- Im eingeschalteten Zustand: Drücken Sie die Taste, um das Umgebungslicht ein-/ausgeschaltet.
- Im eingeschalteten Zustand: Schneiden Sie die Uhr am Aufladen - das Umgebungslicht leuchtet 10 Sekunden lang und schaltet sich dann aus.
- Im eingeschalteten Zustand: Das Produkt schaltet sich ab, wenn innerhalb von 30 Sekunden keine Bedienung erfolgt - das Umgebungslicht und die Digitalanzeige schalten sich aus.

Vorsichtsmaßnahmen

- Bitte halten Sie es von Kindern fern.
- Unschonende Verwendung kann das Produkt beschädigen oder die Sicherheit von Personen und Sachen gefährden.
- es ist strengstens untersagt, dieses Produkt von Laien zu zerlegen.
- elektrische Geräte oder Lasten, die den Ausgangsstrom dieses Produkts überschreiten, sind verboten (der automatische Schutz wird aktiviert und es wird keine Leistung abgegeben).
- Vermeiden Sie heftige physische Aktionen, wie Stöße, Würfe, Trampeln, Quetschen usw.
- Laden Sie Ihr Gerät nach dem Anlassen des Motors auf.
- Laden Sie keine Geräte mit hoher Leistung auf, um eine Beschädigung des Geräts durch zu hohe Leistung zu vermeiden.
- Verwenden Sie das Gerät nicht in feuchter Umgebung oder bei Gewitter.
- reinigen Sie das Gerät nicht mit starken Chemikalien, Reinigungsmitteln usw.
- lassen Sie das Gerät nicht fallen, werfen Sie es nicht wegwerfen und schützen Sie es vor Kollisionen, da es sich um ein elektronisches Produkt handelt.

Hinweise:

Unschonender Gebrauch kann das Produkt beschädigen oder die Sicherheit von Personen und Sachen gefährden.

Wir hoffen, dass Sie nie in die Verlegenheit kommen, aber falls doch, ist unser Service freundlich und problemlos.

- Aktivieren Sie die lebenslange Garantie für Sie!
- Wenn Sie Hilfe benötigen, werden unsere Lösungen innerhalb von 12 Stunden zu Ihnen hergefahren und garantieren ein schnelles Auflösen.
