

# Antenna description

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| <b>Manufacturer</b>      | ZHONGSHAN SHENGLI ELECTRONIC TECHNOLOGY CO., LTD                                    |
| <b>Brand</b>             | N/A                                                                                 |
| <b>Model</b>             | AT-SB2022                                                                           |
| <b>Antenna type</b>      | Integrated antenna                                                                  |
| <b>Antenna size</b>      | 20mm*39mm                                                                           |
| <b>Antenna schematic</b> |  |

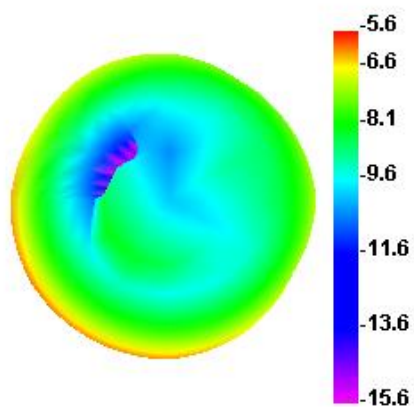

|           |         |
|-----------|---------|
| 2.402GHz  | 1.37dBi |
| 2.4400GHz | 1.04dBi |
| 2.4800GHz | 1.39dBi |
