

Meet Your Lenovo K14 Note

Put in the cards & power on

- 1 Insert the SIM tool into the hole next to the tray to pop out the tray.  
Make sure you use the correct size SIM card and don't cut the SIM card.
- 2 Insert the SIM card(s) with the gold contacts down, then gently push the tray into the slot.  
Add a microSD card for additional storage.\*
- 3 Press and hold the Power button, then follow the prompts to get started.

Help and more

**User guide.** Your user guide contains detailed information about your phone. Get the user guide and more at [lenovomobilesupport.lenovo.com](http://lenovomobilesupport.lenovo.com). Or from the home screen, swipe up and tap **Device Help** > **Learn** to find the user guide.

**Legal information.** This guide provides important legal, safety, and regulatory information that you should read before using your product. For the complete legal information, from the home screen swipe up and tap **Settings** > **Q**, then type **Legal information** or visit [lenovomobilesupport.lenovo.com/legal](http://lenovomobilesupport.lenovo.com/legal).

**Water repellent.** Your phone is not waterproof. For more about your phone's water-repellent design and care, see the user guide.

**Battery safety.** To prevent possible burning and injury, the battery in your phone should only be removed by a Lenovo-approved service center or similar skilled personnel.

If your phone becomes unresponsive, press and hold the Power button until the screen goes dark and your phone restarts. Charge your phone using a compatible Lenovo charger. Use of other chargers is not recommended. Don't charge your phone in temperatures below -20°C (-4°F) or above 45°C (113°F). For more, see the "Legal information" section of this guide, or visit [lenovomobilesupport.lenovo.com/legal](http://lenovomobilesupport.lenovo.com/legal).

**Warning about high volume usage.** To prevent possible hearing damage, do not listen at high volume levels for long periods. When your headset volume reaches the high volume threshold, a warning shows. Tap **OK** to dismiss it, or wait one to five seconds, then press the Volume Up button to dismiss the alert and enable the volume to continue to be adjusted.

**Disposal & recycling.** For help recycling products and packaging responsibly, visit [lenovomobilesupport.lenovo.com/legal](http://lenovomobilesupport.lenovo.com/legal).

**Class 1 Laser.** This device is classified as a Class 1 Laser product, which is safe in normal use per IEC60825-1:2007 and IEC60825-1:2014. This device complies with 21 CFR 1040.10 and 1040.11, except for deviations pursuant to Laser Notice 50, dated June 24, 2007. Do not attempt to modify or disassemble.

**Extreme heat or cold.** Don't use your phone in temperatures below -20°C (-4°F) or above 45°C (113°F). Don't store/transport your phone in temperatures below -20°C (-4°F) or above 60°C (140°F).

**Legal disclaimers.** Features, services and applications are network dependent and may not be available in all areas; additional terms/charges may apply. Product specifications and other information contained in this guide are believed to be accurate at the time of printing. Lenovo reserves the right to correct or change any information without notice.

**Arbitration.** Your purchase is governed by a binding arbitration clause. For more information and how to opt-out, see the legal guide that came with your phone.

**SAR information (on e-label).** To view specific absorption rate (SAR) values for this phone, from the home screen swipe up and tap **Settings** > **Q**, then type **Regulatory labels**, or from your phone's dialpad, type **\*#07#**.

**Supported frequencies and power.** This phone is capable of operation on the following frequencies, subject to location and network availability.
