Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a rectangular printed circuit board (PCB) populated with various electronic components, including integrated circuits, resistors, and capacitors. The board is positioned on a blue textured surface. A vertical ruler on the left shows measurements from 1 to 9 mm, and a horizontal ruler at the bottom shows measurements from 2 to 17 mm.
Solder Board-Component View 3	 A photograph of a smaller, more complex PCB component, possibly a camera module, featuring a lens and various connectors. It is placed on a blue textured surface. A vertical ruler on the left shows measurements from 1 to 4 mm, and a horizontal ruler at the bottom shows measurements from 1 to 10 cm.

Solder Board-Component View 4	 A photograph of a small, dark, rectangular electronic component with gold-colored solder points. The component is placed on a blue textured surface next to a metal ruler. The ruler has markings in centimeters (0 to 11) and millimeters (0.5 mm). The component has the text "LOCKLY" and "PCB228FN_PCB3(C00)" printed on it.
Solder Board-Component View 5	 A photograph of a long, thin, dark electronic component with gold-colored solder points at both ends. The component is placed on a blue textured surface next to a metal ruler. The ruler has markings in centimeters (0 to 16) and millimeters (0.5 mm). The component has the text "LOCKLY", "PCB228FN_PCB3(C00)", "RVE A01 2021.07.01", "WAGO", "2228", and "11-3 11-3 11-3" printed on it.
