Declaration of professional installation

Date: September 12, 2017

FCC ID : NKR-SY30
Applicant : Wistron NeWeb Corporation

To whom it may concern:

This product is mounted inside of the end product by professional installers OEM. They use this module with changing the frequency and operating mode (Master or Client) by the software of end product within the scope of this application because the operating frequency band is limited by the used antenna. End user cannot change this setting.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads 'Edward Yeh'.
