RE: **Dismiss** for Class II permissive change application
FCC ID: PPD-AR5BXB6
EA803646 & EA150864

Dear Sir,

We would like to dismiss the class II permissive change on PPD-AR5BXB6 (EUT) for my client's new policy. Due to the market reason, they will have a new configuration on this project.

If you have any comments, please do not hesitate to contact us through e-mail: daphne_liu@isl.com.tw.

Thank you for your attention to these matters.

Sincerely,

A handwritten signature in blue ink that reads 'Eddy Hsiung'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Eddy Hsiung / Director
International Standards Laboratory
