In re: HYUNDAI CURITEL INC.

FCC ID: PP4TX-210
Request for Short-Term Confidentiality
To Whom It May Concern:

In accordance with 0.457 and 0.459 of CFR 47, HYUNDAI CURITEL INC. requests short-term confidentiality for the test setup photos and user's manual of the attached test report. These documents contain detailed system and equipment descriptions and related information about the product, which HYUNDAI CURITEL INC. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, HYUNDAI CURITEL INC. feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.
