USING YOUR HEADPHONES

1. Adjust your headband to make sure the headphones fit snugly and securely.
2. Place your headphone on corresponding ear side (R into right ear, L into left ear)

TO PLAY MUSIC FROM YOUR PC OR LAPTOP

After pairing the device to your PC or laptop, right-click on the speaker icon on the lower right hand corner of the task bar and select "Playback devices". Under the "Playback" tab, the paired device will show within the list. To connect to it, click on the speaker to set it as default. The audio will start to play from the paired device.

PROTECTING YOUR HEADPHONES

- Keep your headphones clean and free of debris
- Do not tug on the cable to disconnect plug from device but rather pull from the plug to disconnect
- Do not wrap headphones around a device while it is still plugged in as it puts unnecessary pressure on plug-cord connection

CLEANING YOUR HEADPHONES

- To keep your headphones clean, periodically wipe with a dry cloth

WARNING

- Contains small parts which may be a choking hazard. Not suitable for children under age 3
- Use extreme caution when operating a vehicle or similar activity that requires your full attention while using your headset/headphones. Some jurisdictions impose specific limitations, such as single earpiece configuration, on the use of such products while driving
- Long-term exposure to loud music may cause hearing damage. It is best to avoid high volume levels when using headphones, especially for extended periods

REMINDER

- The function compatibility may vary among different mobile phone or devices. Not all functions are available on all devices
