Federal Communications Commission
Office of Engineering Technology
Equipment Authorization Division

Subject: Application submitted inadvertently

To Whom It May Concern:

This letter is in reference to an electronic filing for FCC ID B32RF350, confirmation code EA95562. The filing was sent on 10-4-99. Shortly after sending the 731 form electronically, I was notified that several of the attachments will not be available for an undetermined amount of time.

I would like to cancel this filing and re-submit at a future date using the same FCCID.

I may be reached at (916) 630-4011 (pacific time) if there are any questions. I apologize for any inconvenience this may have caused.

Thanks in advance for your help,

Russ Carlson
