RE: Class II Permissive Change, FCC ID: TFB-1004

Date: March 1st 2020

To Whom it May Concern:

This letter grants authorization for representatives of Compulab Ltd. to apply for a Class II Permissive Change as specified under 47 CFR FCC Part 2.1043 of the Code of Federal Regulations.

This authorization applies to Laird Connectivity's Sterling LWB5 module FCC ID: TFB-1004, approved on 06/13/2017. This permissive change is for the use of the Sterling LWB5 in Product - UCM-iMX8M-Mini, Model - UCM-iMX8M in Compulab products and should in no way affect the original FCC grant.

The provision of this letter does not commit Laird Connectivity to doing any compliance testing, paperwork or administrative filing to support this application by Compulab Ltd.
