Dual Band GSM Phone  
Part24E Certification  
Request for Confidentiality

Gentleman:

In accordance with 0.459 of CFR47, LG Electronics Inc. hereby requests confidentiality of the Block diagrams attachment, Schematic Diagrams & Circuit Description attachment, Operational Description attachment, and Parts List/Turn-Up Procedure attachment for the above-referenced Type Acceptance application.

These documents contain detailed system and equipment description and related information about the Product which LG Electronics Inc. Considers to be proprietary, confidential, and a customer design and, otherwise, would not release to the general public.

Since this design is a basis from which future technological products will evolve, LG Electronics Inc. Considers this information to be of benefit to its competitors, such that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kevin Lee', is written over a faint, light blue rectangular stamp. The stamp contains some illegible text and a grid pattern.

In re: LG Electronics Inc.  
FCC ID: BEJF1200  
Request for Short-Term Confidentiality

To Whom It May Concern:

In accordance with 0.457 and 0.459 of CFR 47, LG Electronics Inc. requests short-term confidentiality for the test setup photos, external photos, internal photos, and user's manual of the attached test report.

These documents contain detailed system and equipment descriptions and related information about the product, which LG Electronics Inc. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, LG Electronics feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in black ink, appearing to be 'E.S. Park', written over a horizontal line.

E.S.Park  
Chief Research Engineer  
LG Electronics Inc.
